

# SZUSICON 2023

11 to 13 August 2023

Hotel Uday Samudra  
Kovalam, Trivandrum

Association of Southern Urologists  
34<sup>th</sup> Annual Conference

# SCIENTIFIC PROGRAM OF SZUSICON 2023

DAY I : 11<sup>th</sup> AUGUST, 2023

TIME	HALL - A	HALL - B	HALL - C	HALL - D	HALL - E
12.00 to 1.00 PM	Semi- live videos	Free paper session 1- urooncology	Free paper session 2 -basic sciences	Free paper session 3 - bpo	Free paper session 4 bpo
1.00to 1.30 PM	Lunch				
1.30 to 2.00 PM	Guest lecture				
2.00 to 2.30 PM	Reconstructive urology				
2.30 to 4.30 PM	Usi- isu session				
4.40 to 5.40 PM	Uro-oncology session	Free paper session 5 - andrology and infertility	Free paper session 6 - neurouro/bpo	Free paper session -7 pediatric urology	Free paper session 8 (urolithiasis)
6.00 to 7.00 PM	Inaugural function followed by dinner				

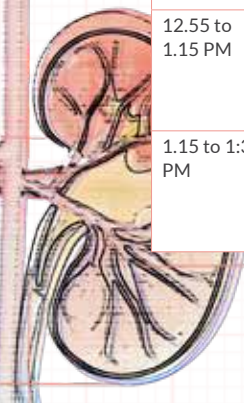

## DAY 2: 12<sup>th</sup> AUGUST, 2023

TIME	HALL - A	HALL - B	HALL - C	HALL - D	HALL - E
7.30 to 8.20 AM	Semi-live videos (8 + 2 mts)	Free paper session 9 -uroonco : 6+2 min	Free paper session 10 -female urology	Free paper session 11: (urolithiasis) 6+ 2mts	
8.30 to 9.45 AM	Prof ravindranath best paper session -8 + 4mts (6 papers)				
9.50 to 10.20 AM	Prof h s bhat oration				
10.25 to 11.40 AM	Bangalore urology society best video - 8+ 4 mts (6 videos)				
11.45 to 12.25 AM	Khivraj symposium				
12.30 to 1.15 PM	Invited state best papers	Free video 1 6+2 mts (6)	Free video session 2 : 6+2 mts	Free video session 3: 6+2 mts (6)	Free video session 4 -6+2 mts (6)
1.15 to 2.00 PM	Lunch				
2.00 to 3.00 PM	Asu best poster session- 2+ 2 mts( 12 )	Practitioners' forum (you session)	Free paper session 12 - urolithiasis 6+ 2min	Free video session 5	Free video session 6
3.00 to 3.45 PM	Guest lectures	Asu quiz-o-mania	Moderated poster session1	Moderated poster session2	Moderated poster session 3
3.50 to 5.00 PM		Ethics in urology: bell the cat	Sterilization in endourology	Moderated poster session 4	Free paper session 13 (infections)
5.00 PM	Gbm				

## DAY 3: 13<sup>th</sup> AUGUST, 2023

TIME	HALL - A	HALL - B	HALL - C	HALL - D	HALL - E
8.00 to 9.00 AM	Semilive videos ( 8 mts)	Free paper session 14 (infections)	Moderated poster session – 5	Moderated poster session – 6	Moderated poster session – 7
9.00 to 9.30 AM	Prof p b sivaraman endowment guest lecture - 20 mts				
9.35 to 10.15 AM	Nu hospital pediatric urology debate				
10.20 to 10.40 AM	Guest lecture	Free paper session (urolithiasis) 15	Free paper session (urolithiasis) – 16	Free paper session – 17 (urolithiasis)	Free paper session – 18
10.45 to 11.30 AM	Dr. N d jeyasekharan ideas and innovations session 6+2mts				
11.35 – 12.00 PM		Free paper session 20 (transplant)	Free paper session – 21 (uroonco)	Free paper session - 22	Free paper session – 23 (bpo)
12.00 – 12.50 PM	Free paper session 19 (reconstruction)				Unmoderated posters
12.55 to 1.15 PM	Black pearls	Moderated poster session 8			
1.15 to 1:30 PM	Valedictory				

**DAY I : 11<sup>th</sup> AUGUST, 2023**

## **HALL – A**

12.00 to 1.00 PM : **SEMI- LIVE VIDEOS** ( 8 mts + 2 mts discussion)

Chair persons : **Dr. K S N Chary**, Guntur

**Dr. Arun Chawla**, Manipal

**Dr. Gajanan Bhat**, Sirsi

Progressive perineal urethroplasty – Dr Rajesh Rajendran, Trichy

ATOMS sling for male urinary incontinence - Dr Bhavtej, Hyderabad.

Sperm retrieval- Dr Vinod K V, Trivandrum

3-piece penile implant- Dr Pramod Krishnappa, Bengaluru

Penile lengthening for short penis - Dr Sanjay pandey, Mumbai.

1.00to 1.30 PM : **LUNCH**

1.30 to 2.00 PM : **GUEST LECTURE**

“Life Style Modifications for weight loss and Diabetes reversal”

Dr. J V Jagannath Dixit,

Prof Community, medicine, B J Medical College, Pune.

Chairpersons : **Dr. Krishnasamy Kannan**, Trichy

**Dr. Avudiappan**, Tirunelveli

2.00 to 2.30 PM : **RECONSTRUCTIVE UROLOGY**

“Bladder neck Reconstruction” - 20mts

Dr. Ganesh Gopal Krishnan, Vedanayagam Hospital, Coimbatore

Chairpersons : **Dr. Ramalingam M**, Coimbatore

**Dr. Sashidharan**, Trivandrum

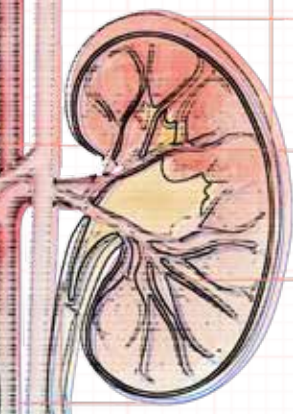

2.30 to 4.30 PM : **USI- ISU SESSION**

Introduction – Dr. Arun Chawla - 2 minutes

### **THEME 1- FEMALE BLADDER OBSTRUCTION (50 MIN)**

Case presentation with history – Dr Arun Chawla 2 min

Role of UDS in Female BOO – Dr Arabind Panda 8 min

Primary bladder neck obstruction- management?  
Dr Sanjay Sinha 8min  
Underactive bladder – management of underactive bladder.  
Dr. Keshav Murthy 8 min  
Dysfunctional voiding – management – Dr L N Dorairajan 8 min  
Expert Comments – Dr Ganesh Gopalkrishnan 8 min  
Conclusions – Dr Arun Chawla 4 min

## THEME 2 -URETERIC INJURIES IN FEMALE (50 MIN)

Relevant anatomy – Dr Bhushan Patil 8 min  
Pre-Operative measures for preventing injury is it necessary  
– Dr. Rajamaheshwari 8 min  
Intra-operative consult- Dr Ganesh Gopalkrishnan 8 min  
How do I diagnose and finish my job effectively  
Intra-operative injury to ureter: Videos Dr Bhushan Patil 12 min  
Ileal ureter / Ureteric Reimplant  
Delayed presentation -Can I do anything or divert? Dr Ganesh  
Gopalkrishnan 8min  
Expert comments- Dr Srikala Prasad, Dr Dineshan 8mts  
CONCLUSIONS – 2 minutes

### 4.40 to 5.40 PM : URO-ONCOLOGY SESSION

I Panel discussion : Localized Renal Mass : Case studies (45mts)

Moderator : Dr. M Gopi Chand, KIMS, Hyderabad

Panelists : Dr. Uttam Mete, PGI, Chandigarh

Dr. Rajesh, AINU, Hyderabad

Dr. Ravichandran, Bengaluru.

Dr Rakesh Sharma, Hyderabad

Dr Srivathsan Ramani, Chennai.

II. “Lymph node dissection in Urological cancers” 15 mts

Speaker : Dr Ananth Krishnan Sivaraman, Chennai

### 6.00 to 7.00 PM : INAUGURAL FUNCTION FOLLOWED BY DINNER

**DAY I : 11<sup>th</sup> AUGUST, 2023**

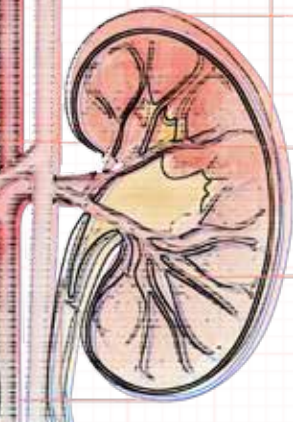

**HALL – B**

---

**12.00 to 1.00 PM : FREE PAPER SESSION 1- UROONCOLOGY**

**Chairpersons : Dr. Ginil Kumar, Kochi**  
**Dr. Mujeebur Rehman, Mangalore.**  
**Dr. Anil Kumar, Kochi**

1. Superiority of modified R.E.N.A.L. nephrometry score in prediction of outcomes of partial nephrectomy- Dr. Annappa Kamath K, GMC Thiruvananthapuram.
2. The impact of En bloc transurethral resection of bladder tumour on clinical, pathological and oncological outcomes – a cohort study- Dr. Deerush Kannan, Apollo Hospitals, Chennai.
3. Laparoscopic conversion to open surgery in radical nephrectomy: simple analysis of clinical characteristics, causes and prediction factors- Dr. Nakul Baban Aher, Sri Ramachandra Institute of Higher Education and Research, Porur, Chennai.
4. Factors affecting the upgrading and upstaging in patients with Ca. prostate. A study of 450 cases- Dr. Manav Naveen, Amrita Institute of Medical Sciences, Kochi.
5. Does ileal loop irrigation increase risk of postoperative urosepsis after radical cystectomy? -a single center retrospective case-control study- Dr. Prabu Ramar, Christian medical college, Vellore.
6. Pentafecta outcomes of robotic laparoscopically assisted radical prostatectomy at a tertiary care hospital- Dr. Mutyalapaty Gopichand, KIMS Hospital, Secunderbad.
7. Restaging transurethral resection in high risk non-muscle invasive bladder cancer. Is it really needed in the current era? Dr. Abhik Debnath, Christian Medical College, Vellore.

4.40 to 5.40 PM : **FREE PAPER SESSION 5 - ANDROLOGY AND INFERTILITY**

Chairpersons : **Dr. Vinod K V**, Trivandrum

**Dr. Laxman B**, Hyderabad

**Dr Arun Karthik**, Salem

1. Effect of modifiable lifestyle factors and antioxidant treatment on semen parameters of men with oligoasthenoteratozoospermia-Dr Praveen Balagangatharan, Madras Medical College, Chennai.
2. Does Low Intensity Shock Wave Therapy (LI-ESWT) help severe ED unresponsive to PDE5i? -Dr Sreedhar kammela, Dr Sreedhar Kidney & IVF Institutes, Hyderabad.
3. A true urological emergency; institutional experience of 20 cases of penile fracture- Dr Jagadeeshwar Addepalli, Mamatha Medical College, Khammam, Telangana.
4. Relevance of testicular histopathology on prediction of sperm retrieval rates in case of non-obstructive and obstructive azoospermia- Dr Mahadev V, Madras Medical College, Chennai.
5. Association of sexual dysfunction with lower urinary tract symptoms due to benign enlargement of prostate- Dr. Shreeram pradeep savant, KMC Mangalore.
6. Penile fracture associated with penile urethral rupture- Dr. Saurabh ATUL, Jawaharlal Nehru Medical College, KLE University, Belagavi.

**DAY I: 11<sup>th</sup> AUGUST, 2023**

**HALL – C**

---

12.00 to 1.00 PM : **FREE PAPER SESSION 2 -BASIC SCIENCES**

Chairpersons : **Dr. Frederick Paul**, Kottayam

**Dr. Vijay Bhaskar Reddy**, Tirupathi

**Dr. Nischit D'souza**, Mangalore

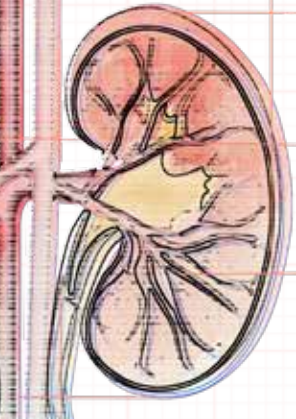

1. Role of urinary pH in reducing stent related encrustations- Dr. Darshan H R, Karnataka Institute of Medical Sciences, Hubballi.

2. Clinical application of 24-hour urinary metabolic evaluation in urolithiasis- Dr. Tariq Iqbal, Sapthagiri Institute of Medical Sciences & Research Centre, Bengaluru.
3. Single nucleotide polymorphism mutation related genes in bladder cancer-  
Dr Nishant setya, Jawaharlal Nehru Medical College
4. Comparison of procalcitonin and neutrophil-to-lymphocyte ratio used for prediction of expulsion of distal ureteric calculi-  
Dr. Ravi Gaur, Govt.  
TD medical college Vandanam , Kerala.
5. Comparison of renal function outcome after open and laparoscopic nephrectomy –a prospective observational study-  
Dr Rekhraj. Sahu, Kims health, Trivandrum.
6. Presentation, management and outcomes of transitional urology patients managed in a tertiary transitional care centre-  
Dr. Anuj Yadav, Sri Sathya Sai Institute of Higher Medical Sciences, Puttaparthi, Andhra Pradesh.

4.40 to 5.40 PM : **FREE PAPER SESSION 6 - NEUROURO/BPO**

Chairpersons : **Dr. Sathish Kurup**, Trivandrum  
**Dr. Sanjay Sinha**, Hyderabad  
**Dr. Manohar C S**, Bangalore

1. A prospective observational study on the uroflowmetry parameters in healthy adult male south Indian population-  
Dr. Mohamed Javid R, Chengalpattu Medical College, Chengalpattu.
2. Association of urodynamic parameters with successful bladder training in patients with neurogenic bladder: a retrospective analysis- Dr Tanmay Bharat Patravale, Madras medical college, Chennai.
3. Urodynamic evaluation of bladder function in patients with lower urinary tract symptoms: a retrospective study-  
Dr.Tanmay Bharat Patravale, Madras medical college, Chennai.

4. Estimation of the prevalence of occult bladder dysfunction in diabetic patients- Dr. Barath Venkat, SRM medical college, hospital and research institute, Kancheepuram district, Tamil Nadu.
5. To assess the accuracy of bladder voiding efficacy among the benign prostatic enlargement: a cross-sectional observation study- Dr. Sreenivasa Reddy G, Institute of Nephro-urology , Bangalore.
6. Factors predicting the outcome of blunt renal trauma(high-grade) managed with conservative intention- Dr. Rajath rakshit R, Institute of nephro urology, Bangalore.

**DAY I : 11<sup>th</sup> AUGUST, 2023**

**HALL – D**

---

**12.00 to 1.00 PM : FREE PAPER SESSION 3 - BPO**

**Chairpersons : Dr. Syam K Ramesh, Trivandrum  
Dr. Manu M K, Trivandrum  
Dr. Dilip Dhanpal, Bangalore**

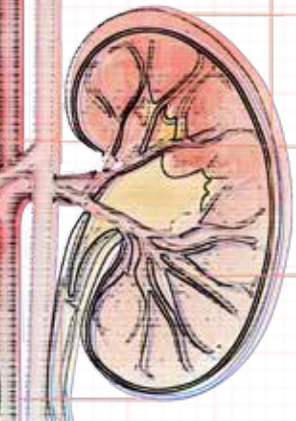

1. A comparative study of post TURP outcomes and complications between benign prostatic hyperplasia patients, presenting with and without acute urinary retention- Dr. Lingesh sairam c., Government Medical College Thiruvananthapuram.
2. A comparative study between medical management and primary TURP for the management of benign prostatic hyperplasia (BPH) presenting with moderate to severe lower urinary tract symptoms (LUTS)- Dr. Suman de, Government Medical College, Thiruvananthapuram.
3. “Prospective study to assess the correlation between international consultation on incontinence questionnaire on male – lower urinary tract symptoms (ICIQ-M-LUTS) and urodynamic study (UDS) in men presenting with lower urinary tract symptoms (LUTS)”-Dr. Abhinay jogula, JNMC KLE Belgaum.

4. Intraoperative low-dose epinephrine infusion in transurethral resection of prostate: a double-blind, randomized trial- Dr. Rohith Gorrepati, AIIMS, Bhubaneswar
5. A randomized prospective comparative study of transurethral incision of prostate (TUIP) versus transurethral resection of prostate (TURP) in the management of benign prostatic enlargement (< 25cc)- Dr. Vijay Gunashekar, Kasturba Medical College, Manipal.
6. Pre-operative urodynamics for prognostication of patients undergoing transurethral resection of prostate in chronic retention- Dr. Achuth ajith kumar, Amrita Institute of Medical Sciences, Kochi

4.40 to 5.40 PM : **FREE PAPER SESSION -7 PEDIATRIC UROLOGY**

Chairpersons : **Dr. Mallikarjun Reddy**, Hyderabad  
**Dr. Kumar Prabhu**, Bangalore  
**Dr. Sreedhar D**, Nellore

1. Presentation, management, and outcome in children with non-neurogenic neurogenic bladder-13years experience from a high-volume tertiary center- Dr. Girraj prasad sharma, Sri Sathya Sai Institute of Higher Medical Sciences (SSSIHMS), Puttaparthi, Andra Pradesh.
2. The association between caudal anesthesia and risk of urethrocuteaneous fistula in hypospadias repair- Dr. Mohammed Rehan, Vijayanagar Institute of Medical Sciences, Bellari.
3. A single center experience of percutaneous nephrolithotomy in infants and its long-term outcomes- Dr. Dhruva G Prakash, M S Ramaiah Medical College, Bangalore.
4. RIRS in infants (<12 months) – Our Technique and Results- Dr. Rakesh Panda, Preeti Urology & Kidney Hospital, Hyderabad.
5. Percutaneous nephrostomy using USG guided Seldinger technique in obstructive uropathy - its outcome and

complications- Dr. Ravindra k k, Government Medical College Thiruvananthapuram.

6. A comparison of paediatric vs adult pyeloplasty outcomes - our institutional experience, Dr. Manu Kaushik Nagabhairava, M S Ramaiah Medical College Hospital Bengaluru
7. A comparative analysis of outcomes of laparoscopic pyeloplasty in pediatric and adult PUJO patients, Dr. Manu Kaushik, M S Ramaiah Medical College Hospital Bengaluru

**DAY I : 11<sup>th</sup> AUGUST, 2023**

**HALL – E**

---

12.00 to 1.00 PM : **FREE PAPER SESSION 4 BPO**

Chairpersons : **Dr. Deepak David**, Nagercoil  
**Dr. Prasad Mylarappa**, Bangalore  
**Dr. Haris C H**, Trivandrum

1. The effect of dutasteride in managing perioperative complications of trans urethral resection of prostate- Dr. Barath Venkat, SRM Medical College Hospital and Reasearch Institute, Kattankulathur, Tamil Nadu.
2. A prospective comparative study of post TURP outcome and complications between BPH patients presenting with or without acute urinary retention- Dr.Mohit Bhalla, Institute Of Nephro Urology, Bangalore.
3. Comparison of Tamsulosin and Silodosin in success of trial void with 7 days catheterization in acute urinary retention secondary to BPH: prospective randomised study- Dr. Ohm Prakash, Vijayanagar Institute of Medical Sciences, Ballari.
4. Is duration of symptoms an understudied surgical indication in benign prostatic hyperplasia? – Dr. Rajkumar Jain, Govt Stanley Medical College, Chennai.

5. A Prospective Observational Study on Renal Function and Factors predicting AKI after Percutaneous Nephrolithotomy- Dr. Golivenkatasai, Kasturba Medical College, Manipal
6. Perineal urethrostomy -a single centre long term retrospective audit, Dr. Ajay Tulshiram Lakhe, Nri Medical College , Chinakakani ,Guntur

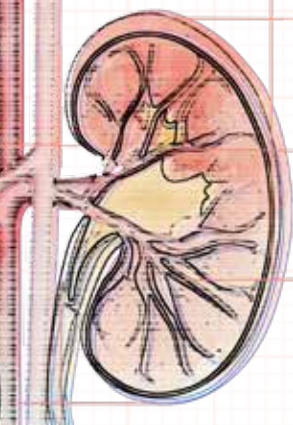

4.40 to 5.40 PM : **FREE PAPER SESSION 8 (UROLITHIASIS)**

Chairpersons : **Dr. Sitharamaiah**, Kurnool

**Dr. Ponraj C**, Tirunelveli

**Dr. S I Neeli**, Belgaum

1. "Effect of ureteral stent diameter on ureteral stent-related symptoms in patients undergoing intracorporeal lithotripsy". Dr. Philip Tojo, Rajagiri Hospital, Kochi
2. Management of forgotten, encrusted, fragmented double J ureteral stent: a prospective study from a tertiary care center. Dr. Chenna Sai Krishna, Kurnool Medical College, Kurnool.
3. A Prospective Randomized Controlled Trial Comparing Efficacy and Efficiency of Thulium Fiber Laser (TFL) and Holmium: Yttrium Aluminium Garnet (Ho:YAG) Laser for Stone Lithotripsy during Retrograde Intrarenal Surgery (RIRS) for Renal Calculus of 1-2 cm. Dr. Prashant Ashutoshbhai Nanavati, Asian Institute of Nephrology & Urology, Hyderabad.
4. Comparative analysis of pulse modulated Holmium:YAG laser vs Thulium fibre laser for upper ureteral stones - a randomized clinical study. Dr. Subash Kaushik T.G., Sri Ramachandra institute of higher education and research, Chennai.
5. Correlation Analysis between Renal Anatomical Factors and Residual Stones after Percutaneous Nephrolithotomy (PCNL). Dr. Benjith F Daniel, Sri Ramachandra Medical College, Chennai.
6. Comparative study between laser vs pneumatic lithotripsy in Mid and lower ureteric calculi – Dr. Shivaratna Chandrakant Mahadik, Karnataka institute of medical sciences, Hubballi

**DAY 2 : 12<sup>th</sup> AUGUST, 2023**

## **HALL – A**

---

**7.30 to 8. 20 AM : SEMI-LIVE VIDEOS ( 8 + 2 MTS)**

Chairpersons : **Dr. Gopichand**, Hyderabad

**Dr. Rajeev T P**, Mangalore

**Dr. Manohar T**, Bangalore

Laparoscopic Boari Flap - Dr. Syed Ghouse , Hyderabad

Laparoscopic Ureteric reimplant - Dr. Chandramohan V, Hyderabad

Laparoscopic Orchiopexy - Dr. N Mallikarjun Reddy,  
Hyderabad

Robotic IVC Thrombectomy - Dr. T A Kishore, Kochi

Laparoscopic infant pyeloplasty - Dr. H K Nagaraj, Bangalore

**8.30 to 9.45 AM : PROF RAVINDRANATH BEST PAPER SESSION -8 + 4MTS (6 PAPERS)**

Chairpersons : **Dr. Arun Chawla**, Manipal

**Dr. Ramalingam**, Coimbatore

**Dr. Appu Thomas**, Kochi

1. 5- ALA induced fluorescent urine cytology in comparison with conventional cytology, BTA assay and NMP 22 tests in the diagnosis of bladder cancer  
- Dr. Keyur Yogesh Patel Jawaharlal Nehru Medical college, Kher, Belagavi.
2. An audit of Flexy URS life: a single centre experience-  
Dr. Pranalee govind khedekar. Vedanayagam hospital & postgraduate institute, Coimbatore
3. Can lesion volume and prostate specific antigen density play a role in detecting clinically significant prostate cancer in Pi-RADS 3 lesions on MPMRI? – Dr. Shashank Agrawal, Amrita institute of medical sciences, Kochi.

4. Use of TP 4303 to identify prostate cancer cells in voided urine samples - Dr. Shreyas Shiva prasad rai, Jawaharlal Nehru medical college , KLE university, Belagavi.
5. Decision regret analysis of patients opting for early ureteroscopy versus trial of medical expulsive therapy after shared decision making for management of ureteric calculi  $\leq 10\text{mm}$ : interim results from the DRAUMET study- Dr. Anshuman singh, Kasturba medical college, Manipal.
6. Defining role of BMG augmented perineal urethrostomy in lichen sclerosus et atrophicus related long segment strictures- Dr. Deepak Arun Kumar Tiwari, care hospitals, Hyderabad.

9.50 to 10.20 AM : **PROF H S BHAT ORATION**

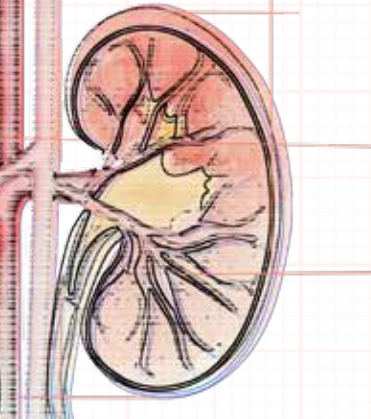

Chairpersons : **Dr. Avudaippan**, President , ASU  
**Dr. V Surya Prakash**, Secretary, ASU

GUTB- an Overview - Dr R Jeyaraman, Chennai (20mts)

10.25 to 11.40 AM: **BANGALORE UROLOGY SOCIETY BEST VIDEO - 8+ 4 MTS (6 VIDEOS)**

Chairpersons : **Dr. T A Kishore**, Kochi  
**Dr. Vijayan**, Kochi  
**Dr. Laxman Prabhu**, Mangalore

1. Robotic retroperitoneal adrenalectomy for large adrenal lesions. Feasibility and outcomes at a single tertiary care center. Dr Vishnu Prasad, Amrita Institute of Medical Sciences, Kochi
2. Revisiting Tanagho repair in management of complex vesicovaginal fistula. Dr Ayush Mohan Goel, SSSIHMS, Puttaparthi
3. Laparoscopic pyelovesicostomy for distal ureteric injury in left pelvic ectopic kidney, Dr. Rakesh Panda, Preeti Urology Hospital, Hyderabad
4. Flexible and navigable suction ureteric access sheath - a step by step demonstration and our experience in improving the outcomes in retrograde intra renal surgery, Dr. Deepak Ragoori

5. Vascular mishaps in laparoscopic renal surgery, is conversion the only answer. Dr Vineet Sakhireddy, VPS lakeshore hospital, kochi
6. Robotic reconstruction of bladder neck contracture post TURP. Dr.Shabeel. Sulaiman. Yenepoya medical college, Mangalore.

11.45 to 12.25 AM : **KHIVRAJ SYMPOSIUM**

**Non-Muscle Invasive Bladder Cancer- Current Concepts and Controversies**

Moderator : **Dr G Chengalvarayan**, Chennai

Speakers :

Introduction : **Dr Chengalvarayan** 2 mts

Understanding the disease

: **Dr Suresh Bhat**, Kottayam- 8mts

Controversies in diagnosis and management

: **Dr Mujeeburahiman**, Mangalore- 8mts

Recent advances in diagnosis and management

: **Dr Rakesh Sharma**, Hyderabad- 8mts

Conclusion : **Dr Chengalvarayan** 5 mts

12.30 to 1.15 PM : **INVITED STATE BEST PAPERS**

Chairpersons : **Dr. A V Ravikumar**, Hyderabad

**Dr. Kumar Prabhu**, Bangalore

**Dr. Felix Cardoza**, Calicut

1. UAK best paper: Can Renal Nephrometry score predict perioperative outcome in patients undergoing partial nephrectomy. Dr. Chithra S. S., KIMSHEALTH, Trivandrum
2. TAPASU best paper: Effectiveness of local vaginal Tissue Flaps in Female Urethroplasty. Dr Suhas T , Saveetha Medical college , Chennai
3. KUA best paper: Prospective, randomized, placebo -controlled, two arm study to evaluate the efficacy of co-administration of garlic as a hydrogen sulphide donor and tadalafil in patients

with erectile dysfunction not responding to tadalafil alone- A pilot study- Dr. Gajanan Bhat

4. SOGUS: Emphysematous Pyelonephritis: Outcomes with conservative management in a tertiary care center. Dr Saikrishna C, Kurnool medical college, Kurnool.

1.15 to 2.00 PM : **LUNCH**

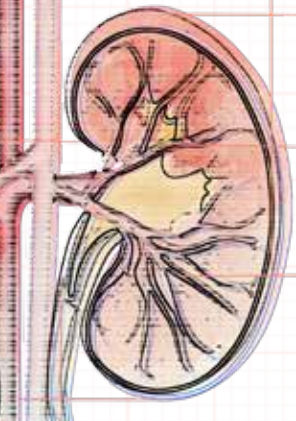

2.00 to 3.00 PM : **ASU BEST POSTER SESSION- 2+ 2 MTS( 12 )**

Chairpersons : **Dr. Vasudevan**, Trivandrum

**Dr. L N Dorairajan**, Pondicherry

**Dr. C S Ratkal**, Bangalore

1. Diagnosis and management of urethral duplication: a case report of three patients. Dr Jalaram – Pachaiyappan. Christian medical college, Vellore
2. Vascular challenges in RPLND for post chemotherapy residual mass. Dr Mounish nuthalapati. Amrita institute of medical sciences, Kochi.
3. Do interventions trigger penile calciphylaxis in long-term dialysis patients? Dr Midhun mohan, Amrita institute of medical sciences Kochi
4. An unusual case of an uncommon disease of unknown origin- Dr Pranalee govind khedekar, Vedanayagam hospital & postgraduate institute, Coimbatore.
5. Primary renal osteosarcoma- A rare case scenario, Dr. Sachin rajendra mohare, yashoda superspeciality hospital, Hyderabad
6. Renal transplantation in duplicated ureters; our institutional experience, Dr. Gokul Prabhu Balakrishnan, Stanley Medical College, Chennai.
7. Migration of double J stent into the inferior vena cava and the right atrium. Dr. Viswanath komaragiri. Chettinad academy & research education, Chennai
8. 23-hour discharge after robot assisted laparoscopic radical

prostatectomy and partial nephrectomy: predictors, safety and feasibility analysis. Dr Madhuri Evangeline Sadanala. Christian medical college, Vellore.

9. Robot assisted radical nephrectomy with IVC thrombus - our institutional experience. Dr. Rajeev. S. Aster med city, Kochi.
10. Our experience with posterior urethral lift (urolift). Dr Deepak arunkumar tiwari. Care hospital Hyderabad
11. Left iliac fossa reverse renal transplantation in a patient with ileal conduit. Dr Laxman boragala . AIG hospitals Hyderabad.
12. Laparoscopic management of renal tumor in a horseshoe kidney with pre-isthmic inferior vena cava: technical considerations. Dr Dinesh m, Asian institute of nephrology and urology, Hyderabad.

3.00 to 3.45 PM : **GUEST LECTURES**

Chairpersons : **Dr. Nitin Kekere**, Vellore  
**Dr. Ganesh Kamath**, Chennai  
**Dr. Vijay Sankaran**, Madurai

1. LUTS in young males! New need of the Hour? - 15mts  
- Dr Sanjay Pandey, KokilaBen Hospital, Mumbai
2. Building a culture of Surgical Research in India - 15mts  
- Dr Denis Xavier, HOD, Pharmacology, St. Johns' medical college, Bangalore.
3. "If everyone follows Guidelines, then who will invent?" - 10mts -  
Dr Sanjay Kulkarni, President USI, Pune

3.50 to 5.00 PM : **GUEST LECTURES**

Chairpersons : **Dr. Anil Varshney**, New Delhi  
**Dr H K Nagaraj**, Bangalore  
**Dr Muthu V**, Chennai.

1. Guest lecture: Robotic Intracorporeal Neobladder reconstruction. Dr Anup Kumar, New Delhi. 10mts.

2. Guest lecture: Mentorship and career guidance for a Urology trainee- -Dr Rajeev T P, Guwahati. 15mts
3. Renal transplant session, case discussion-  
Dr. Ajay Oswal, Aurangabad 40mts  
Dr Surya Prakash, Hyderabad  
Dr. H K Nagraj, Banagalore  
Dr. Muthu Veeramani, Chennai  
Dr T A Kishore, Kochi

5.00 PM : **GBM**

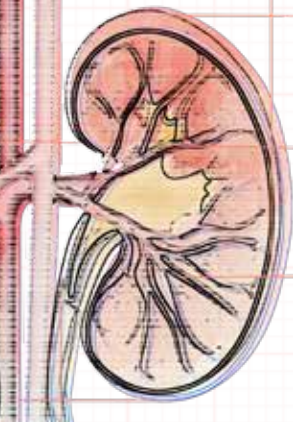

**DAY 2: 12<sup>th</sup> AUGUST, 2023**

**HALL – B**

7.30 to 8.30 AM : **FREE PAPER SESSION 9 -UROONCO : 6+2 MIN**

Chairpersons : **Dr. Arun Kumar Paranjyoti**, Chennai  
**Dr. Rakesh Sharma**, Hyderabad  
**Dr. Srivathsan Ramani**, Chennai

1. Evaluation of VI-RADS scoring system in assessing muscle invasion of Carcinoma Bladder: A Cross-sectional study. Dr. Mukthinath Gugri, JSS medical college & Hospital, Mysuru.
2. SABR for primary RCC : A paradigm shift for non-surgical candidates? Dr. Achuth Ajith Kumar , Amrita Institute of Medical Sciences, Kochi.
3. Vi-rads/likert performance and clinical implications on decision making in bladder tumor pathology (an observational study). Dr. Bommi Reddy V Reddy, KMC, Manipal.
4. Role of Re-TURBT in superficial bladder tumours after installation of adjuvant Intravesical Mitomycin C during primary surgery. Dr.Akshay Fadnis, Institute of Nephro Urology, Bengaluru.

5. Serum testosterone to prostate specific antigen ratio as a predictor of prostate cancer : a prospective study for a diagnostic test evaluation. Dr. Harikrishna . R., Government Medical College. Kozhikode.
6. Transurethral Resection of Bladder Tumor using Holmium Laser - Our Experience. Dr. Thota Siddhartha, Mahatma Gandhi Medical college and Research Institute, Pillaiyarkuppam, Pondicherry.

12.30 to 1.20 PM : **FREE VIDEO 1 6+2 MTS (6)**

Chairpersons : **Dr. Visweswar Rao**, Guntur  
**Dr. Manohar T**, Bangalore  
**Dr. Rajanikanth**, Kochi

1. Penile microsurgical reimplantation following traumatic amputation with excellent functional outcome: video presentation of technique, Dr Abhik Debnath CMC, Vellore
2. Robotic Partial Nephrectomy for Crossed Fused Ectopia: A Minimally Invasive Approach for Complex Renal Anomalies, Dr. Achuth Ajith Kumar, Amrita Institute of Medical Sciences, Kochi.
3. Robot assisted total intracorporeal neobladder-University of South California(USC) modified Studor neobladder. Dr Alphons Philip, Aster MIMS Calicut.
4. Iatrogenic bilateral ureteric injury managed robotically, Dr. Alphons Philip, Aster MIMS Calicut.
5. Robotic Enucleation of Small Renal Masses: A Safe and Oncologically Sound Alternative to Traditional Partial Nephrectomy, Dr Ameya Rangnath Sangle. MS Ramaiah Medical College, Bangalore.
6. Horseshoe kidney with unilateral ureteral duplication – An intraoperative surprise, Dr. Ameya Ranganath Sangle. MS Ramaiah Medical College, Bangalore.

1.20 to 2.00 PM : **LUNCH**

2.00 to 3.00 PM : **PRACTITIONERS' FORUM (YOU SESSION)**

Chairpersons : **Dr. Deepak Ragoori**, Hyderabad

**Dr. Zeeshan**, Mangalore

**Dr. Griffin**, Chennai

Moderator : **Dr. Karthikeyan**, Trichy

1. Transitioning from Residency to Urology Practice: Tips for Success.  
Dr Mukileash Ramesh
2. "Mentorship in Urology": Finding and Cultivating Professional Relationships  
Dr Siddalingaswamy
3. Avoiding Burnout in the Early Years of practice. Dr Kinju Adhikari
4. Utilizing Technology in Urology Practice: Tools and Apps for Efficient Patient Care. Dr Suyog Shetty
5. Financial Planning for Young Urologists. Dr Praveen Kumar .

3.00 to 4.00 PM : **ASU QUIZ-O-MANIA**

Interstate Association PGquiz

Quiz Master : Dr Altaf Khan, Yenepoa medical college, Mangalore

4.00 to 4.40PM : **ETHICS IN UROLOGY: BELL THE CAT**

Panel Discussion :

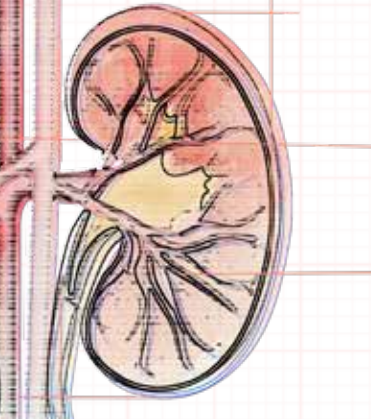

Moderator : **Dr Prashant Mulwakar**, Akola

Panelist : **Dr. Dilip Dhanpal**, Bangalore

: **Dr. Shivlingaiah**, Bangalore

: **Dr. Anil Elhance**, Lucknow

: **Dr. Sathish**, Madurai

**DAY 2 : 12<sup>th</sup> AUGUST, 2023**

**HALL – C**

---

**7.30 to 8.30AM : FREE PAPER SESSION 10 -FEMALE UROLOGY**

**Chairpersons : Dr. Lata, Madurai**

**Dr. Arun Chawla, Manipal**

**Dr. Induja, Madurai**

1. Is Micturating Cysto Urethrogram (MCU) diagnostic of female Urethral Stricture?  
- An Institutional audit- Dr. Ponmani Agasthya M, Vedanayagam Hospital, Coimbatore.
2. Early repair of vesicovaginal fistulae- our initial experience- Dr. Bhavana Chowdary Madineni, Sapthagiri Institute of Medical Sciences and Research Centre, Bengaluru.
3. Urologic complications following obstetrics and gynecological surgery: Our Institutional experience- Dr. Viswanadh Komaragiri, Chettinad Academy & Research Education, Chennai.
4. Minimally invasive vesicovaginal fistula repair using transverse cystotomy technique: retrospective analysis of outcomes- Dr. Dinesh M, Asian Institute of Nephrology and Urology, Hyderabad.
5. Is early stenting beneficial in advanced cervical cancer: prospective study to determine the factors predicting successful dj stent insertion- Dr. Ashwath venkataramana, Institute of Nephro Urology, Bangalore.
6. Surgical complications and urological interventions and follow up of patients with Placenta percreta- Dr. Mallikarjun Rao, Amrita Institute of Medical Sciences, Kochi.

12.30 to 1.15 PM : **FREE VIDEO SESSION 2 : 6+2 MTS**

Chairpersons : **Dr. Gnanasekaran T**, Madurai  
**Dr. Arun Kumar B**, Chennai  
**Dr. Nerli R**, Belgaum

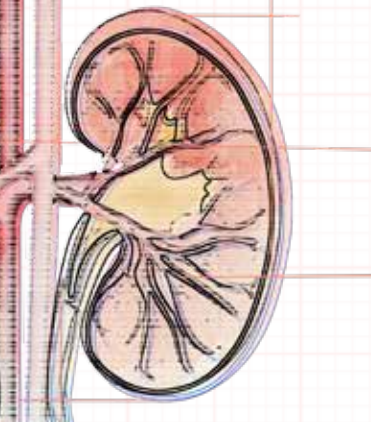

1. Management of Congenital Anterior urethral diverticulum in a child- Dr. Amish Wani. Asian Institute of Nephrology and Urology, Hyderabad
2. Port swapping technique for Robot-assisted Radical nephroureterectomy with bladder cuff excision in upper tract urothelial carcinoma- Dr. Amish Wani. Asian Institute of Nephrology and Urology, Hyderabad.
3. Transvaginal Repair of Vesico Vaginal Fistula: An approach all urologist should embrace - Dr. Annappa Kamath K. GMC Thiruvananthapuram.
4. 3D-laparoscopic ureteropyelostomy with pyelolithotomy in a partial duplication of lower moiety with PUJ obstruction- Dr. Anoob abubakkar. VPS lakeshore hospital.
5. Obstructive Uropathy in a Young Girl with Suspected DSD Posterior Cloaca- Dr. Anuj Yadav. Sri Sathya Sai Institute of Higher Medical Sciences, Puttaparthi,
6. The first robotic day care procedure in the management of testicular vein syndrome, a rare cause of hydroureteronephrosis- Dr. Arun.R, Apollo hospitals, Chennai

1.20 to 2.00 PM : **LUNCH**

2.00 to 3.00 PM : **FREE PAPER SESSION 12 - UROLITHIASIS 6+ 2MIN**

Chairpersons : **Dr. Sanman** , KMC Mangalore  
**Dr. Srinath**, Bangalore  
**Dr. Vamsi Krishna**, Hyderabad

1. Comparison of efficacy and safety profile between Superperc and Percutaneous Nephrolithotomy (PCNL) for renal calculus of 1-3.5 cm- Prospective Randomized Trial. Dr. Ronak Nareshbhai, Jawaharlal Nehru Medical College, Belagavi.

2. Endoscopic lithotripsy with a Novel SuperPulsed Thulium-fiber laser for Urolithiasis: A single-center experience. Dr.Nawaz Shariff A, Sri B M Patil Medical College, Vijayapura
3. A Novel drug in medical management of distal ureteric calculus- safety and efficacy profile. Dr.Vikas Shukla, Shri B. M. Patil Medical College, Vijayapura.
4. Retrospective study of efficacy and safety of endoscopic combined intra renal surgery for renal calculi. Dr. Karthik Subramanian, Asian Institute of Nephrology and Urology, Hyderabad
5. Our experience with digital flexible ureteroscope- Dr.Pankaj Eknath Bhirud
6. RIRS VS. PCNL for 1-2 cm renal calculi in anomalous kidneys: a single institute study. Dr.Sirish Dhanwada, ESI Medical College, Hyderabad.

3.00 to 4.00 PM : **MODERATED POSTER SESSION1**

Chairpersons : **Dr. Mallikarjun G**, Hyderabad  
**Dr. Ilangoan**, Chennai  
**Dr. Narendra**, Bangalore

1. Paraganglioma of Urinary Bladder - A Case Report- Dr.Mebin B Thomas, Pushpagiri Institute of Medical Sciences and Research Centre.
2. Retrieval of slipped guidewire in the renal parenchyma during PCNL – a rare complication and a troubleshoot technique-dr. Deerush kannan, Apollo Hospitals, Chennai.
3. Primary renal aspergilloma post urinary tract instrumentation in an immunocompetent patient – Case report and review of literature- Dr. Sukhdev Diraviam Bagavath Singh, Christian Medical College, Vellore
4. Bilateral renal lymphangiectasia,an unusual cause of acute page kidney-Dr. Govind S, Government Medical college Thiruvananthapuram

5. Ruptured giant hydronephrosis presenting as acute abdomen- Dr. Tanniru Siva Kumar, Gandhi Medical College, Hyderabad.
6. Nephroureterectomy of crossed fused renal ectopia with urothelial carcinoma- A rare of rarity entity-Dr. Rupam . Deori, Kerala Institute of Medical Sciences, Thiruvananthapuram.
7. Laparoscopic Repair of Traumatic Intraperitoneal Bladder Rupture: A Rare Case Report- Dr. Udit jain jain, Narayana Medical College, Nellore.
8. A mimicker of bladder neoplasm - follicular cystitis- Dr. SUHAS . U, Mahatma Gandhi medical college and research Institute, Pondicherry.
9. Retroperitoneal laparoscopic retroperitoneal excision of the giant pheochromocytoma: a case report- Dr. Midhun Mohan, Amrita Institute of Medical Sciences Kochi.
10. Steinstrasse: Spontaneous occurrence and its spontaneous expulsion- Dr. Vikas Shukla, Shri B M Patil Medical college BLDE University , Vijayapura , Karnataka.

4.00 to 4.45 PM :

### **STERILIZATION IN ENDOUROLOGY-**

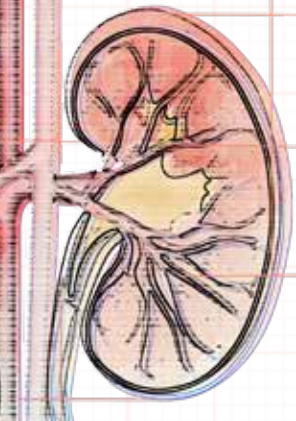

Moderator : **Dr. Siddalingaswamy P M**

Introduction of the topics and speakers by moderator- 2 mts

1. Myths and Facts in endourology sterilization techniques - Dr. Bhupati Naidu, Hyderabad., 7mts
2. Best Practices in Processing of Endourology instruments -Dr Prashant, Infection prevention specialist- 15mts
3. How do you process instruments and prepare the OT after doing a seropositive case? - Dr. S I Neeli, Belgaum -7mts

TIPS and Trick : **Dr. Siddalingaswamy P M**

1. How do you disinfect/ sterilize light cables and camera head? 3mts
2. How do you sterilize flexible endoscope- 3mts
3. How do you sterilize/disinfect laser fiber, lithoprobes-3mts
4. Antibiotic prophylaxis for URSL, PCNL, TURP-3mts

## DAY 2 : 12<sup>th</sup> AUGUST, 2023

# HALL – D

---

7.30 to 8.30AM : **FREE PAPER SESSION 11: (UROLITHIASIS) 6+ 2MTS**

Chairpersons : **Dr. Vijay Kumar Reddy**, Tirupathi  
**Dr. Suresh Kagalkar**, Vijayapura  
**Dr. Vijay Radhakrishnan**, Kottayam

1. Is GA still necessary for RIRS- our experience- Dr.Amar Chandrakant, Saveetha Medical College and Hospital, Chennai
2. Challenges and Outcomes of RIRS in Cross Fused Ectopic Kidney with Renal Calculi-Dr.Kuppan C T
3. Safety and efficacy of supracostal access for PCNL: a tertiary care centre experience- Dr. Neelanolla Bhasker Reddy, Kurnool Medical College
4. Minimally Invasive Percutaneous Nephrolithotomy versus Retrograde Intrarenal Surgery for Upper Urinary Stones: A Retrospective study- Dr.Pradhyumna T.P. Koushik, Sri Ramachandra University, Chennai.
5. Safety of bilateral PCNL under spinal analgesia- Dr. Jofin John Varghese, Sapthagiri Institute of Medical Sciences and Research Centre
6. The ratio of CT attenuation values of the ureter above and below ureteral stones is a useful preoperative factor for predicting impacted ureteral stones, Dr. Mahadev , Madras Medical College

12.30 to 1.20 PM : **FREE VIDEO SESSION 3: 6+2 MTS (6)**

Chairpersons : **Dr. H K Nagaraj**, Bangalore  
**Dr. Darwin Therattil**, Thrissur  
**Dr. ChandraMohan V**, Hyderabad

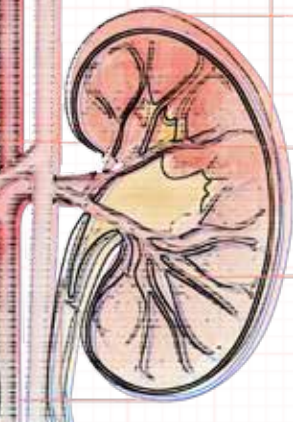

1. Robotised 3d laparoscopic radical cystectomy with intra-corporeal ileal conduit - our technique, Dr. Krishna Mohan Ramaswamy, MIART, Kozhikode
2. Radical cystectomy with orthotopic neobladder – Transition from Open to Laparoscopic method in siblings, Dr. Krishna Prasad Venkiteswaran. Gem Hospital, Paravattani, Thrissur,
3. Right retroperitoneoscopic living donor nephrectomy, Dr. Laxman boragala. AIG Hospitals, Hyderabad.
4. Robotic Ureteropyelostomy for Retrocaval Ureter, Dr. Mani chandra chamakura reddy, Ramaiah Medical college and hospital, Bangalore.
5. Robotised 3 dimension laparoscopic radical prostatectomy : new armamentarium, Dr. Pankaj eknath bhirud. MIART, Kozhikode.
6. Modified technique of harvesting Preputial spiral graft for reconstruction of long anterior urethral strictures, Dr. Prashant Ashutoshbhai Nanavati. Asian Institute of Nephrology & Urology, Hyderabad

1.20 to 2.00 PM : **LUNCH**

2.00 to 3.00 PM : **FREE VIDEO SESSION 5**

Chairpersons : **Dr. Nischit D'souza**, Mangalore  
**Dr. Syed Mohd. Ghouse**, Hyderabad  
**Dr. Gurunath T**, Chennai

1. Laparoscopic bilateral ureteric reimplantation for bilateral ureteric injury following hysterectomy. Dr Rakesh Panda. Preeti Urology & Kidney Hospital, Hyderabad.
2. A rare case of Laparoscopic adrenalectomy for Pheochromocytoma during pregnancy. Dr Siddalinga swamy PM. Preeti Urology & Kidney Hospital, Hyderabad.
3. Robotic excision of retroperitoneal fibrosis & partial nephrectomy, Dr. Sreedhar Kammela . Dr Sreedhar Kidney & IVF Institutes, Hyderabad.

4. A case report on ureterocalycostomy in the management of pelvi-ureteric junction obstruction, Dr. Sriramula Sai Dilip. Andhra Medical College . Visakhapatnam.
5. Ideal laser settings for thulium fibre laser in the endoscopic treatment of prostatic obstruction, Dr.Vamsi krishna p. Care Hospitals , Hyderabad .
6. Hand assisted Right Donor Nephrectomy, Dr. Zeeshan Munir Mhaskar, Yenepoya Medical College Hospital, Mangalore
7. Laparoscopic urinary bladder diverticulectomy in a 66 yr old male patient. Dr Jawahar Bathini, Yashoda Super Specialty Hospitals, Somajiguda , Hyderabad.

3.00 to 4.00 PM : **MODERATED POSTER SESSION2**

Chairpersons : **Dr. O Ramesh**, Tirupathi

**Dr. Bhavtej**, Hyderabad

**Dr. Kamla Kanta Panigrahy**, Berhampur

1. Renal tumors with hemorrhage - Factors against renal cell carcinoma and an algorithm for management- Dr. Biswajit Deka, AIG Hospital, Gachibowli, Mindspace, Hyderabad.
2. Beyond the Obstruction: Prostatic Schwannoma Unveiled in a Peculiar Presentation- Dr. Kasi Viswanath Gali, Kasturba Medical College Manipal.
3. Rectourethral fistula - our experience- Dr. Amit Patil, M S Ramaiah Medical hospital, Bengaluru.
4. Urinary bladder paraganglioma- A rare case scenario- Dr. Sachin Rajendra Mohare, Yashoda Superspeciality Hospital, Hyderabad.
5. Pigmented Renal cell Carcinoma with Melanocytic Differentiation: A rare case encountered-Dr. Tamaghna Pal, Government Medical college Thiruvananthapuram.
6. The tale of two Sarcomas: Case report on this rare phenomenon- Dr. Abhijit Sanjay Shah, Kasturba Medical College and Hospital

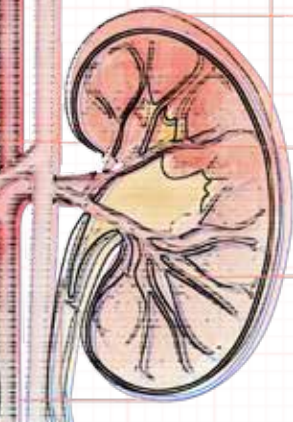

7. Horseshoe kidney with unilateral ureteral duplication – An intraoperative surprise- Dr. Ameya Rangnath Sangle, MS Ramaiah Medical College, Bangalore, Karnataka
8. A rare anomaly of complete, ectopic blind-ending ureteral duplication – case report- Dr. Atif Abdullah C, Frontline Hospital, Trichy.
9. Post TRUS life threatening hemorrhagic shock- Dr. Pavan Kumar Nelakuditi, NRI Academy Of Medical Sciences ,Guntur.

4.00 to 5.00 PM : **MODERATED POSTER SESSION 4**

Chairpersons : **Dr. Hari Krishnan**, Thrissur  
**Dr. Manikandan**, Chennai  
**Dr. Purna Chandra Reddy**, Hyderabad

1. Ossifying Renal Tumor of Infancy: a rare case report in the adult female patient-Dr. Prabu – Ramar, Christian medical college, Vellore.
2. Scrotal AV malformation: a rare case report- Dr. Harikrishnan A B, Government Medical College Trivandrum
3. Prolapsing ureterocoele- what the mind knows eyes see! - Dr. Sathish Kumar R.M, Sandheep Memorial Hospital, Madurai.
4. Aboral to oral: rare site for prostatic metastasis- Dr. Varun Negi, Govt Stanley Medical College.
5. Congenital anterior urethrocutaneous fistula : a rare anomaly and review of literature- Dr. Guru Praveen S, Narayana Medical College And Hospital, Nellore.
6. Infectious Anastomotic Pseudoaneurysm in Renal Transplantation presenting as Headache: A Rare Case- Dr. Gollamandala Kireeti, Government Stanley Medical College.
7. Management of gallbladder injury during percutaneous nephrolithotomy-Dr. Karthik Subramanian, Asian Institute of Nephrology and Urology. Hyderabad.
8. Solitary ureteric stump recurrence in renal cell carcinoma 17 years after radical nephrectomy: a case report- Dr. Abhik

- Debnath, Christian Medical College, Vellore.
9. IgG4 nephritis mimicking renal pelvic urothelial carcinoma: An unusual case report, -Dr. Tanmay Bharat Patravale, Madras Medical College, Chennai.
  10. Traumatic pubic diastasis- a rare cause of post traumatic incontinence in male,-Dr. Thoiba Moirangthem, Sri Satya Sai institute of Higher Medical Sciences (SSSIHMS).

**DAY 2: 12<sup>th</sup> AUGUST, 2023**

**HALL – E**

---

12.30 to 1.20 PM : **FREE VIDEO SESSION 4 -6+2 MTS (6)**

Chairpersons : **Dr. Purushottam**, Ongole  
**Dr. D Ramesh**, Bangalore  
**Dr. Krishna Mohan**, Kozhikode

1. Laparoscopic excision of functioning paraganglioma of organ of zuckerkandl. Dr. Anoob Abubakkar. Vps Lakeshore Hospital, Kochi.
2. Renal capsular leiomyoma excision: A rare case scenario. Dr Himanshu Pandey, GMC, Thiruvanthapuram.
3. Surgical management of solitary fibrous tumour in retrovesical space. Dr Lakavath Sudheer Kumar. Govt medical College -Trivandrum
4. Buccal mucosa graft for recurrent upper ureteric stricture. Dr Naga Raju Moogi. Government medical college, Trivandrum.
5. Internal drainage of Parapelvic cyst using Thulium fiber laser. Dr Nawaz Shariff A. Sri B M Patil Medical College, Vijayapura.
6. Laparoscopic ureterolysis in a case of Retroperitoneal fibrosis. Dr Sachin Rajendra Mohare. Yashoda Superspeciality Hospital, Somajiguda , Hyderabad.

1.20 to 2.00 pm : **LUNCH**

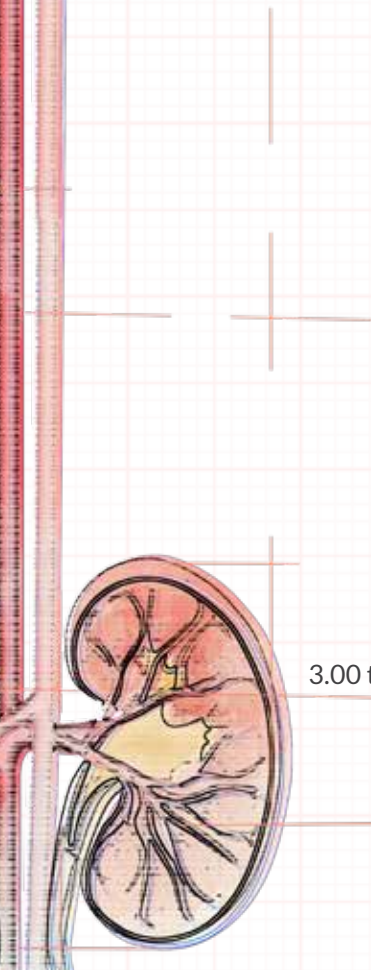

2.00 to 3.00 PM : **FREE VIDEO SESSION 6**

Chairpersons : **Dr. Ramalingam M**, Coimbatore  
**Dr. Muthu Veeramani**, Chennai  
**Dr. Joseph Philip Raj**, Pondicherry

1. Initial experience of Hugo robotic system from Medtronic for urological surgery, Dr. Vamsi Krishna P Care Hospital, Hyderabad.
2. Robotic assisted ureteroureterostomy for ectopic ureter with duplex system , Dr. Vijaya Suriya Ramesh reddy, Yenepoya Medical College, Mangalore.
3. Improved Stone Free Rates Using "M-ARM" In Patients Undergoing RIRS: A Prospective Randomized, Single Center Study. Dr Vishal Balan Pillai. Ramaiah Medical College Hospital, Bangalore.
4. Robotic partial nephrectomy for hilar tumours: tips and tricks, Dr. Shashank Agrawal. Amrita Institute of medical sciences, Kochi
5. Enucleo-resection technique for robotic partial nephrectomy-how we do it -Dr. Bhargava Venkata Boppana, Aster Medicity , Kochi.
6. Retroperitoneoscopic management of renal hydatid cyst, Dr. Girraj Prasad Sharma, Sri Sathya Sai Institute of Higher Medical Sciences (SSSIHMS), Puttaparthi
7. Laparoscopic excision of complex paraganglioma in Aorto-Caval window- Dr. Khathir Sukumar, Kovai Medical Center and Hospital, Coimbatore

3.00 to 4.00 PM : **MODERATED POSTER SESSION 3**

Chairpersons : **Dr. Rajesh Rajendran**, Trichy  
**Dr. Nebu Issac**, Thiruvalla  
**Dr. Balaji A R**, Chennai

1. Cecoureterocele with stone in a young female – a rarest case report in literature-Dr. Amar Chandrakant Holambe, Saveetha Medical College and Hospital, Chennai.
2. A rare case of arteriovenous malformation of kidney – Dr. Gowtham . K, Govt. Kilpauk Medical college.
3. Aldosterone producing adenoma- A rare, potentially fatal disease- Dr.Aniket Awadhesh Ray, K. S. Hegde Medical Academy, Deralakatte, Mangalore.
4. A case report on spontaneous rupture of bladder diverticulum- Dr. Mohammed Sanoob M K, ASTER MIMS,Calicut.
5. A Rare Case of Glomus Tumour of Kidney with Renal Vein Invasion- Dr. Prashanth Reddy Yensani, Amrita institute of medical sciences, Kochi.
6. VHL 2c – A rare tumour with unconventional management – All’s well that ends well- Dr. Ritu Raj, Government medical college, Trivandrum.
7. Management of Bladder Pain Syndrome- Dr. Nitin Kumar K, Sapthagiri Institute of Medical Sciences and Research Centre, Bengaluru.
8. Rare Case of Penile Strangulation by a Hammer Head- Dr. Lohith . S, Gandhi Medical College, Hyderabad.
9. Primary bladder amyloidosis – a case report- Dr. Vijay . Gunashekar, Kasturba Hospital , Manipal , Karnataka.

4.00 to 5.00 PM : **FREE PAPER SESSION 13 (INFECTIONS)**

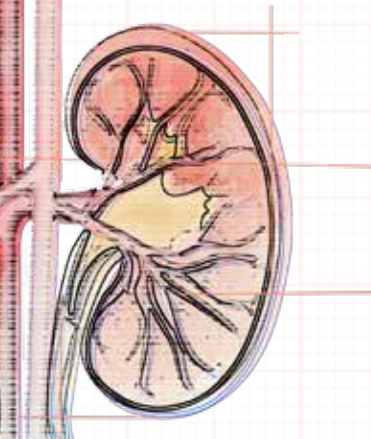

Chairpersons : **Dr. Anil Kumar**, Tirupathi

**Dr. Gauthaman**, Nagercoil

**Dr. Satyendran Nambiar**, Kannur

1. Clinical outcomes in patients with Emphysematous Pyelonephritis [EPN] treated with minimally invasive procedures. A series of 30 cases- Dr. Manav Naveen, Amrita Institute of Medical Sciences, Kochi

2. Emphysematous pyelonephritis: demographics, clinical predictors, management & outcomes- our experience at a tertiary care center- Dr. Naveen Vulia, SVIMS Hospital, Tirupati
3. Povidone iodine preparation of the rectum before transrectal prostate biopsy: to reduce post procedural infection- Dr. Saravanan Rajendiran, Government Medical College Kottayam
4. Laparoscopic nephrectomy in xanthogranulomatous pyelonephritis –feasibility, safety and predictors of conversion -Dr. Sukhdev Diraviam, Christian Medical College and Hospital, Ranipet, Tamil Nadu
5. Double J stenting in acute pyelonephritis: a prospective observational study- Dr. Aswini amor Chetia
6. Predictive value of preoperative factors and biomarkers for post- PCNL systemic inflammatory response syndrome- Dr. Lohith .S, Gandhi Hospital, Secunderabad

**DAY 3: 13<sup>th</sup> AUGUST, 2023**

## **HALL – A**

---

**8.00 to 9.00 AM : SEMILIVE VIDEOS ( 8 MTS)**

Chairpersons : **Dr. Chandra Mohan V**, Hyderabad  
**Dr. Rajeev T P**, Mangalore  
**Dr. Bobby Viswaroop**, Coimbatore

Supine PCNL - **Dr. Arun Kumar**, AINU, Chennai  
Endopyelotomy - **Dr. Surya Prakash**, Hyderabad  
Laser Enucleation of Prostate - **Dr. Dheeraj**, Vijayawada  
Enbloc resection of bladder tumour - **Dr. Zeeshan**, Mangalore.

**9.00 to 9.30 AM : PROF P B SIVARAMAN ENDOWMENT GUEST LECTURE - 20 MTS**

Partial nephrectomy - Changing Scenario - **Dr Anant Kumar**,  
Max Hospital, New Delhi.

Chairpersons : **Dr. Ginil Kumar**, President – Elect ,Kochi,  
**Dr. Surya Prakash V**, Secretary, ASU ,Hyderabad

**9.35 to 10.15 AM : NU HOSPITAL PEDIATRIC UROLOGY DEBATE**

Moderator : **Dr N Mallikarjun Reddy**

Topic : “Ureteric reimplantation in Infant with High  
grade Primary VUR- To do or Not to do.”

In favor of : **Dr Ashwin Shekar**, SSSIHMS Puttaparthi 8+ 2 mts

Against : **Dr P B Barani Kumar**, Kovai Medical center,  
Coimbatore. 8+2 mts

**10.20 to 10.40 AM: GUEST LECTURE**

Chairpersons : **Dr. Avudiappan**, Tirunelveli  
**Dr. Meyeppan**, Chennai

Topic : “Aging gracefully” 15mts  
**Dr. Rajendra Singh Sinam**  
Consultant urologist, Manipur

10.45 to 11.30 AM : **DR. N D JEYASEKHARAN IDEAS AND INNOVATIONS SESSION**

**6+2MTS**

Chairpersons : **Dr. Ganesh Gopalkrishnan**, Coimbatore  
**Dr. Krishnasamy Kannan**, Trichy  
**Dr. D Ramesh**, Bangalore

1. Development and Application of a Guidewire-Accessible Meatal Calibrator for Urethral Instrumentation. Dr Amish Wani, AINU, Hyderabad.
2. Lined gauze plug in prevention of stone migration in supine PCNL. Dr Deerush kannan Sakthivel. Apollo Hospitals, Chennai
3. Identifying renal tuberculosis using machine learning: a proof-of-concept evaluation of convolutional neural network model. Dr Hardik H Patel, SSSIHMS, Puttaparthi
4. Are you happy with your urinary drainage bag? -Dr. Dilip Dhanpal
5. Novel technique of removal of multiple renal calculi using as endobag before Robotic Pyeloplasty- Dr. Tummala Sai Venkat

11.35 – 12.00 pm : **GUEST LECTURE**

Chairpersons : **Dr. Paul Vincent**, Madurai.  
**Dr. Ginil Kumar Kochi**

Current concepts in RPLND

- Dr. Uttam Mete, Chandigarh, 10mts

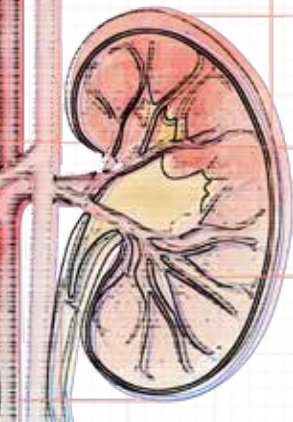

Premature Ejaculation - Evaluation and management

- Dr Gajanan Bhat, Sirsi - 10mts

12.00 – 12.50 PM : **FREE PAPER SESSION 19 (RECONSTRUCTION)**

Chairpersons : **Dr. Bhavtej**, Hyderabad  
**Dr. Manu M K**, Trivandrum  
**Dr. Joseph Philip Raj**, Pondicherry

1. A prospective observational study of factors predicting outcomes of upper limb radio-cephalic arterio-venous fistula-

Dr. Pathakunta sravan reddy, Sri Venkateswara Institute of Medical Sciences.

2. Study of Jordon flap meatoplasty and its outcome in the treatment of meatal stenosis and fossa navicularis stricture in males -Dr. Siraj S B, Guntur Medical College, Guntur
3. Buccal mucosal graft versus penile skin flap urethroplasty for long segment penile urethral stricture : A prospective study- Dr. Vijaya Suriya Ramesh reddy, Yenepoya Medical College, Mangaluru.
4. An observational study on the evaluation of the sexual functions in post urethroplasty patients-Dr. Tamaghna Pal, Government Medical college Thiruvananthapuram.
5. Effect of Inferior Alveolar plus Buccal Nerve Block on Postoperative Morbidity at Buccal Mucosal Graft Harvest Site: A Prospective Double-Blind Randomised Controlled Trial -Dr. Vivek Tarigopula, AIIMS-BBSR, Patrapada, Bhubaneswar
6. Comparative analysis of ventral, dorso-lateral and dorsal buccal mucosa graft augmentation urethroplasty in predicting the outcome and success- Dr.Jeffrey Ashiq G, Institute of Urology, Madras Medical College

12.55 to 1.15 PM : **BLACK PEARLS**

Chairpersons : **Dr. Haris C H**, Trivandrum

**Dr. Bobby Viswaroop**, Coimbatore

1. By failing to prepare you are preparing to fail”, Dr. Kuppurajan Narayanasamy, Kovai Medical Center and Hospital, Coimbatore.
2. All that enhances is not cancer!, Dr. Mounish Nuthalapati Amrita Institute of Medical Sciences, Kochi.

1.15 to 1:30 PM : **VALEDICTORY**

**DAY 3: 13<sup>th</sup> AUGUST, 2023**

## **HALL – B**

**8.00 to 9.00 AM : FREE PAPER SESSION 14 (INFECTIONS)**

Chairpersons : **Dr. Prasad M**, Bangalore.

**Dr. Neeli S I**, Belgaum

**Dr. Hamza Thayyil**, Calicut

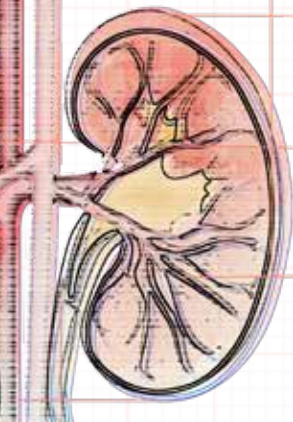

1. Covid 19 pandemic impact on the utilisation of urological services in a tertiary care urological institute- Dr. Chandan M N, Institute of Nephro Urology, Bengaluru.
2. Isolated tubercular epididymitis: a 10 year series – Dr. Shivraj Mohan Patil, Jawaharlal Nehru Medical College, KLE University, Belagavi.
3. The role of minimally invasive approaches in management of emphysematous pyelonephritis -Dr. Suman De, Government Medical College, Thiruvananthapuram.
4. Factors determining the outcome of renal abscess in a tertiary care centre  
– Dr. Layeeq . Fatima, kurnool medical college, Kurnool.
5. Prostatic abscess: still a lingering problem, Beware!-Dr. Bobby Viswaroop S, Vedanayagam Hospital &PG Institute, Coimbatore, Tamilnadu
6. Evaluation of the S.T.O.N.E score in predicting stone free rates following ureteroscopic surgeries- Dr. David Livingston, Meenatchi Medical College, Kancheepuram, Tamilnadu.

**10.20-11.20 AM : FREE PAPER SESSION (UROLITHIASIS) 15**

Chairpersons : **Dr. Vinod K V**, Trivandrum

**Dr. Vishnu Prasad**, Kochi

**Dr. Chengalvarayan**, Chennai

1. Recent trends in the prevalence of various organisms in urinary tract infection and their sensitivity patterns in a tertiary care center- Dr. Amal Mohan m, Govt Medical college, Thiruvananthapuram.
2. Factors predicting the success rate of Primary RIRS- Dr. Karthik M, Sri Ramachandra Medical college, Porur, Chennai
3. Is conventional PCNL using larger tracks (> 24 F) obsolete? Do you need to buy larger nephroscopes? – Dr. Suhas, Mahatma Gandhi Medical college and research institute, Pondicherry
4. Proportion of type 2 diabetes among patients with upper tract urolithiasis- Dr. Tamaghna Pal, Government Medical college Thiruvananthapuram
5. Comparison of X-ray KUB and Unenhanced Helical CT for the identification of residual calculi in postoperative URSL patients: Implications of Postoperative follow-up- Dr. Jeffrey Ashiq G, Institute of Urology, Madras Medical College
6. Our experience in management of retained/forgotten JJ stent case series in tertiary care hospital- Dr. Sabrena M, Stanley medical college, Chennai.

11.20 to 12.20 PM : **FREE PAPER SESSION 20 (TRANSPLANT)**

Chairpersons : **Dr. Sathish Kurup**, Trivandrum  
**Dr. A V Venugopal**, Calicut  
**Dr. Subramaniyan**, Chennai

1. Outcomes of multiple renal vessels in the live donor for a renal transplant recipient: 10 year experience at a tertiary care centre. Dr. Mani Chandra, Ramaiah Medical college and hospital, Bangalore.
2. Management of Major venous Anomalies during Laparoscopic Left Donor Nephrectomy. Dr. Kuppurajan Narayanasamy, Kovai Medical Center and Hospital, Coimbatore
3. Spontaneous small bowel perforation in post renal transplant patients- a single- center case series. Dr. Amal George, Medical trust hospital, Cochin

4. Accuracy of serum creatinine based renal function and DTPA renogram in prospective renal donors. Dr. Subhabrata Ganguly, KIMS HEALTH Trivandrum.
5. A single centre retrospective study on predictors of delayed graft function in renal transplantation. Dr. Vinod Laxman Gundami, Institute of Nephro-Urology, Bangalore
6. A Comparison of aortic patch anastomosis versus multiple renal arteries anastomosis in live donor transplant: A prospective study. Dr. Manu Kaushik, M S Ramaiah medical college hospital, Bangalore.
7. Surgical management of early and late ureteral complications after renal transplantation: techniques and outcomes. Dr. Mutyalapathy Gopichand , KIMS hospital Secunderbad.

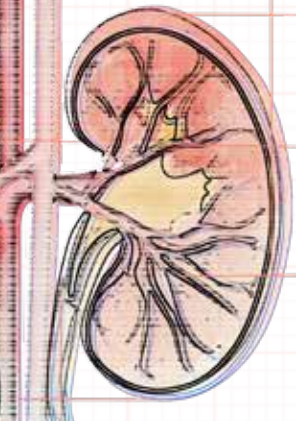

12.25-1.20 pm : **MODERATED POSTER SESSION 8**

Chairpersons : **Dr. Sreedhar D**, Nellore

**Dr. Arun B**, Trivandrum

**Dr. Shyam K Ramesh**, Trivandrum

1. A rare case of lower abdominal mass- Dr. Vasanth kumar k, Stanley medical College, Chennai.
2. Multilocular cystic renal neoplasm in a duplex poorly functioning upper moiety following robotic heminephrectomy: A rare histological surprise- Dr. Varun G Huilgol, M S Ramaiah medical college hospital, Bangalore.
3. Does crossing vessels have an impact on the Presentation and Outcomes of Pelvi-Ureteric Junction Obstruction? - What we have learned- Dr. Prasanna Ram, All India Institute of Medical Sciences, Bhubaneswar
4. Adrenal "touch me not`s"- Dr. Barath Ravindran, Saveetha Medical College, Thandalam, Chennai
5. Urachal cyst , urachal adenocarcinoma or something new: a case report- Dr. Kumaraguru Veerapandian. Govt Kilpauk Medical College.

6. Successful complex vesico-vaginal fistula repair- Dr. Rahul Narayan Unni, Govt Kilpauk Medical College, Chennai
7. Giant Anterior Urethral Diverticulae – Diverse ways of presentation- Dr. Sreedhar Kammela, Dr Sreedhar Kidney & IVF Institutes, Hyderabad & Guntur
8. Triple vessel anastomosis in live renal transplantation-Our institute experience-Dr. Arun Chander, Govt Kilpauk Medical College.
9. Vessel wall infiltration in renal tumors with inferior vena caval thrombus – experience from a tertiary care hospital, Dr. Vivek dadasaheb patil, Amrita institute of medical sciences Kochi.

## DAY 3: 13<sup>th</sup> AUGUST, 2023

### HALL – C

---

8.00 to 9.00 AM : **MODERATED POSTER SESSION – 5**

Chairpersons : **Dr. A V Ravi Kumar**, Hyderabad  
**Dr Dineshan**, Calicut  
**Dr .Sreedhar D**, Nellore

1. Iatrogenic Vesico-enteric fistula as a Complication Following Self-Catheterisation in a Neuropathic Bladder- Dr. Thoiba Moirangthem, Sri Satya Sai institute of Higher Medical Sciences (SSSIHMS), Puttaparthi, Andhra Pradesh.
2. Zero Ischemia Open Partial Nephrectomy In Crossed Fused Ectopic Kidney – A Rare But Real Challenge-Dr. Arun . R, Apollo hospitals, Chennai.
3. Granular cell tumor of urinary Bladder- an interesting case report- Dr. Dhineshkumar P, Stanley medical college, Chennai.
4. Spindle cell carcinoma of kidney- Dr Zeeshan munir, Yenepoya medical college hospital, Mangalore, Karnataka.

5. Mullerian cyst of Vagina masquerading as Cystocele- a very rare case report- Dr. Dhineshkumar P, Stanley medical college, Chennai.
6. Unusual cause of hematuria in young male- Dr. Abhinand s s, Govt medical college Trivandrum.
7. Diagnostic dilemma...infected urachal cyst/vesicourachal diverticulum- Dr. Sachin raj, Mahatma Gandhi medical college and research institute, pondicherry
8. A way to go ! - RIRS in anomalous kidneys- Dr. Arvind Ramachandran, Sri Ramachandra institute of higher education, Chennai
9. Spontaneous Retroperitoneal Haemorrhage due to Ruptured Intrarenal Arteriovenous Malformation, -Dr. Brahma Shankar Dutta, A J Institute of Medical Science Kuntikana.
10. Single stage substitution urethroplasty for non-hypospadias stricture urethral disease in paediatric population- Dr. Dhruva G Prakash, M S Ramaiah Medical college, Bangalore.

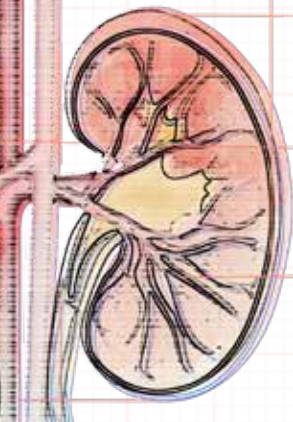

10.20- 11.10 AM : **FREE PAPER SESSION (UROLITHIASIS) - 16**

Chairpersons : **Dr. Griffin** , Chennai

**Dr. Gurunath** , Chennai

**Dr. Seetha Ramaiah**, Kurnool

1. Safety and Effectiveness of Externalized Ureteral Catheter in Tubeless Percutaneous Nephrolithotomy vs 'Standard PCNL' & 'Tubeless PCNL with DJ stent' for renal stones in a tertiary care hospital- Dr. Lingesh Sairam C, Government medical college, Thiruvananthapuram
2. Supine PCNL-2 year experience in a tertiary care center- Dr.Kumar Vikram, Government T D Medical college, Alappuzha
3. Does the drainage of irrigation through the ureteral access sheath have an impact on the results of primary retrograde intrarenal surgery? Dr. Siddalinga swamy PM.Preeti urology and kidney hospital, Hyderabad.
4. Post operative renal function in patients with urolithiasis after

PCNL and URSL -Dr. Kothuri sricharan raj, Kasturba Hospital, Madhav nagar, Manipal.

5. Prone versus supine PCNL - Is one superior over the other?  
A prospective comparative study in a tertiary care hospital in South India. Dr. Deerush Kannan, Apollo Hospitals, Chennai.
6. Series of Ureterocele in Our Centre- Dr Akula Sathish Kumar, ESIC Medical College and Hospital, Hyderabad.

11.20 to 12.20 PM : **FREE PAPER SESSION – 21 (UROONCO)**

Chairpersons : **Dr. Rajesh Reddy**, Hyderabad  
**Dr. Ginil Kumar**, Kochi  
**Dr. Joju Akkara**, Thrissur

1. Retrospective study of partial nephrectomy its oncological outcome and postop morbidity ,Dr. Kuppurajan Narayanasamy, Kovai Medical Center and Hospital
2. Comparison of Clinicopathological Outcomes in Holmium Laser en-bloc Resection of Bladder Tumor Vs Bipolar Transurethral Resection of Bladder Tumor, Dr.Vivek Tarigopula, All India Institute of Medical Sciences, Bhubaneswar
3. A randomized control trial comparing the perioperative outcomes of intraoperative ultrasound-guided laparoscopic nephrectomy versus conventional nephrectomy- Dr.Rohith Gorrepati, All India Institute of Medical Sciences, Bhubaneswar
4. Minimally invasive surgery for adrenal tumors –Our experience – Dr. Amit Patil, M S Ramaiah medical college hospital, Bangalore
5. Retrospective study on partial nephrectomy & oncological outcome and postoperative morbidity- Dr. Mani Kandan G, KMCH, Coimbatore
6. Retroperitoneoscopic partial nephrectomy: A Critical appraisal – Dr. Laxman boragala, AIG Hospitals, Hyderabad
7. Comparison of Trifecta and Pentafecta outcomes across 3 surgical modalities of partial nephrectomy (PN)- Open, lap, and robotic -Dr. N Mallikarjunarao Medam, Amrita Institute of Medical Sciences, Kochi.

**DAY 3: 13<sup>th</sup> AUGUST, 2023**

**HALL – D**

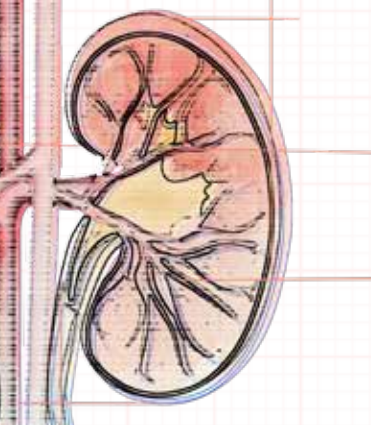

8.00 to 9.00 AM : **MODERATED POSTER SESSION – 6**

Chairpersons : **Dr. S V S Rao**, Kakinada

**Dr. Dorai Rajan L N**, Pondicherry

**Dr. Shailesh Shah**, Ahmedabad

1. Ruptured mycotic pseudoaneurysm — a life-threatening complication following deceased donor renal transplant: A case report-Dr. Hara Pradeep Rayani, Kasturba Medical College, Manipal.
2. Role of Prostatic Artery Embolisation In Current Era-Dr. Muneendra Kumar E, AJ Institute of medical sciences, Mangalore , Karnataka.
3. Renal agenesis with ipsilateral ureterocele and blind ending distal ureter in an adult : Clinical and Embryological significance- Dr. Nakul Baban Aher, Sri Ramachandra Institute of Higher Education and Research, Porur, Chennai.
4. Management of Ureteric Stone in Presence of ileal Conduit- Dr. Parth Aniruddha Patel, A. J. Hospital & research center, Mangaluru.
5. Interesting pelvic masses - urologist's perspective-Dr. Hardik H Patel, Sri Sathya Sai Institute of Higher Medical Sciences, Puttaparthi, Andhrapradesh
6. Uroflow nomogram for healthy Indian men of age 15-40 years- Dr. Prabhuram N, Madras Medical College, Chennai.
7. Genital sparing radical cystectomy in nulliparous female for adenocarcinoma of urinary bladder – a case report- Dr. Ravindra K K, Government Medical College Thiruvananthapuram.
8. Case report of rare mega renal stone disease- Dr. Sabrena . M, Government Stanley medical college, Chennai.

9. Bulbar Urethral Stricture leading to Squamous Cell Cancer of Scrotum and Penis: Case report with Review of literature- Dr. Vishal . Naik, Rajarajeswari Medical College & Hospital, Bengaluru
10. A rare case of osteosarcoma bladder- Dr. Siju C S, Govt Medical College Kottayam

10.20-11.15 AM : **FREE PAPER SESSION – 17 (UROLITHIASIS)**

Chairpersons : **Dr. Ponnusami G**, Erode  
**Dr. Dharmarajan**, Thanjavur  
**Dr. Harigovind**, Kozhikode

1. MiniPCNL versus RIRS in treatment of renal stones: An institutional audit. Dr Pranalee Govind. Vedanayagam Hospital & Postgraduate Institute, Coimbatore.
2. Retrospective analysis comparing the efficacy and surgical outcome between modified supine percutaneous nephrolithotomy vs prone percutaneous nephrolithotomy for management of renal calculi- Dr.Rajkumar Jain, Govt Stanley Medical College Chennai
3. Comparison of Efficacy and Safety of Transdermal Buprenorphine Patch and Conventional Analgesic in Post Percutaneous Nephrolithotomy(PCNL) Patients -Dr.Ritu Raj , Government medical college, Trivandrum.
4. A novel positioning in RIRS !! With better stone clearance !!- Dr. Arvind – Ramachandran, Sri Ramachandra institute of higher education, Chennai.
5. Extracorporeal shock wave lithotripsy as monotherapy in vesical calculi- Dr. Bhavana Chowdary Madineni, Sapthagiri Institute of Medical Sciences and Research Centre, Bengaluru.
6. Primary RIRS using Thulium fiber laser in renal calculus 2-2.5cm: Our experience - Dr Arun Suresh chand Rathi, Care Hospitals, Hyderabad

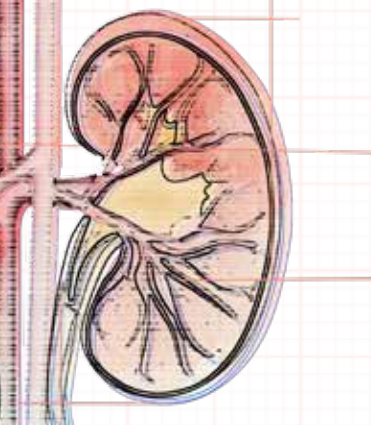

11.20 to 12.10 PM : **FREE PAPER SESSION - 22**

Chairpersons : **Dr. Jeyaraman R, Chennai**

**Dr. Goutham Gopinath, Kochi**

**Dr. T V Narayan Rao, Rajahmundry**

1. Appendices Epiploicae- Innovative Methods of Utilisation as a Bridging Material- Dr. Tummala Sai, Chennai Urology and Robotics Institute, Chennai.
2. Intraoperative Ultrasound (IOUS) Guided Versus Conventional Laparoscopic Nephrectomy: A Randomized Controlled Trial. Dr. Prasanna Ram, All India Institute of Medical Sciences, Bhubaneswar.
3. A comparative study of laparoscopic transperitoneal Simple nephrectomy in inflammatory versus non-Inflammatory non-functioning kidney – Dr. Madugula Sindhura Rao, Sri Venkateshwara institute of medical sciences, Tirupathi
4. Fragmentation of High Attenuation Value Stones by Extracorporeal Shock-Wave Lithotripsy: A Cross-sectional Study -Dr. Tariq Iqbal, Sapthagiri Institute of Medical Sciences and Research Centre, Bengaluru.
5. The Outcomes of Extracorporeal Shock Wave Lithotripsy for Renal and ureteric stones in a tertiary care centre- Dr. Himaja . Sodari, Kurnool medical college.
6. PCNL in the management of horse- shoe kidney calculi: our experience in a tertiary care center- Dr. Tanniru Siva Kumar, Gandhi Medical College, Hyderabad.

**DAY 3: 13<sup>th</sup> AUGUST, 2023**

## **HALL – E**

---

**8.00-9.00 AM : MODERATED POSTER SESSION – 7**

**Chairpersons : Dr. Ashwin Shekar, Puttaparthi**

**Dr. Haris C H, Trivandrum**

**Dr. N. Upendra, Hyderabad**

1. AI in urological research- Dr. Saravanan Rajendiran, Government medical college, Kottayam.
2. A case of primary malignancy of seminal vesicle- Dr. Shaheem . N, Government Medical College, Kozhikode, Kerala.
3. A case of non syndromic bilateral phaeochromocytoma with IVC and IMV thrombus : how we managed it- Dr. Shaheem . N, Government Medical College, Kozhikode
4. Our experience with ureteral appendiceal interposition for ureteral stricture -A Case Report- Dr. Shivakumar M Aljud, Kerala Institute of Medical Sciences.
5. There is more to testicular heterogeneous lesion than meets the eye- Leydig cell tumor- a rare case report- Dr. Shivendra Agrawal, Rajarajeswari Medical College & Hospital, Bangalore.
6. Staged urethroplasty following severe electric burns to perineum and genitalia: a case report- Dr. Shivraj Mohan Patil, Jawaharlal Nehru Medical College, KLE University.
7. Embryonal rhabdomyosarcoma of prostate presenting as acute urinary retention in a young adult - a rare case report- Dr. Subash Kaushik, Sri Ramachandra institute of higher education and research, Chennai.
8. A rare case of primary Mucosa Associated Lymphoid Tissue Lymphoma of bladder : Case Report-Dr. Vinyas B A, Kerala Institute of Medical Sciences, Trivandrum.

Medical College, Hyderabad

6. Serum Testosterone and Urolithiasis- The forgotten relationship – Dr. Prasanna Ram, All India Institute of Medical Sciences, Bhubaneswar, Odisha

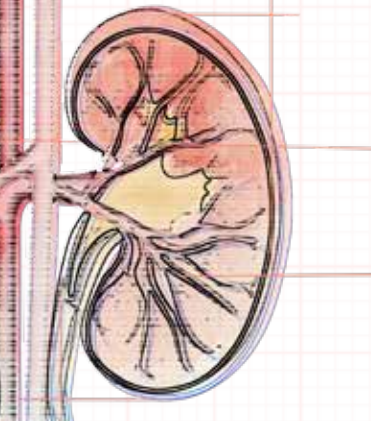

11.20- 12.20 PM : **FREE PAPER SESSION – 23 (BPO)**

Chairpersons : **Dr. Raghuram Ganesamoni**, Nagercoil  
**Dr. Vasudevan T**, Pondicherry  
**Dr. Vinod K V**, Trivandrum

1. Holmium laser enucleation of prostate (HOLEP) in patients taking anti-platelet medications – Dr. Krishna Mohan, Kozhikode
2. Thulium laser bladder neck resection for primary bladder neck obstruction – a retrospective comparative study on resections done with 17 Fr and 26 Fr sheath –Dr. Arun . R , Apollo hospitals , Chennai
3. ThuFLEP using Thulium fiber laser with 60watt power: A prospective single centre study-Dr. Deepak Arunkumar Tiwari, Care hospitals, Hyderabad
4. The efficacy of alpha-1A blocker (tamsulosin), antimuscarinic (solifenacin) and their combination in the management of double-J stent-related lower urinary tract symptoms: a randomized controlled study- Dr. Arsalan Wahid Shaikh, Vijayanagar Institute of Medical Sciences, Ballari
5. Role of intraurethral triamcinolone injection in direct visual internal urethrotomy in the management of anterior urethral stricture and its effect on recurrence –Dr.Utpal . Barman, Father Muller Medical College Hospital , Mangalore.

12.15 to 12.45 PM : **UNMODERATED POSTERS**

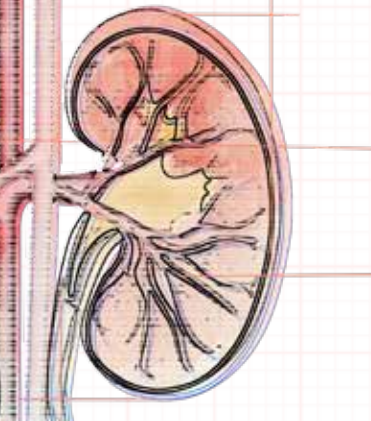

1. Rirs in a cross fused ectopic kidney- Dr. Anoob Abubakkar, Vps Lakeshore Hospital, Kochi

2. Late presentation of Bladder Exstrophy with Fungating Mass- Dr. Yensani Prashanth Reddy, Amrita Institute Of Medical Sciences, Kochi
3. Adenocarcinoma in ureterosigmoidostomy with systemic metastasis- Dr. Siju C S, Govt Medical College Kottayam
4. Retrocaval ureter with stone- Is stone management enough?- Dr. Girraj Prasad Sharma, Sri Sathya Sai Institute Of Higher Medical Sciences (SSSIHMS), Puttaparthi
5. Dual primary malignancy in different organ systems- diagnostic dilemma and management challenges- Dr. Manoj Kiran Vaidya, Shri B M Patil Medical College Hospital And Research Centre, Vijayapura
6. A rare case of ectopic ureter presenting as a stress leak in young female- Dr. Amar Chandrakant Holambe, Saveetha Medical College & Hospital, Chennai
7. Leiomyoma of Urinary Bladder, Dr. Darshan H R, Karnataka Institute Of Medical Sciences, Hubballi
8. Primary urethral adenocarcinoma in a female- a case report- Dr. Ponmani Agasthiya M, Vedanayagam Hospital, Coimbatore
9. Urethral prolapse in post-menopausal patient-A rare presentation-Dr. Viswanadh Komaragiri, Chettinad Academy & Research Education, Chennai
10. Cryptic primary presenting as renal mass in non-functioning kidney- Dr. Arun Karthik Dinakaran, Govt Kilpauk Medical College
11. A case of rectourethral fistula- Dr. Udaya Bhaskar Lakdaram Reddy, ESIC Medical College & Superspeciality Hospita, Hyderabad
12. Laparoscopic reduction of inguinal hernia containing the urinary bladder: A Case report- Dr. Aswini Amor Chetia, AIG Hospitals, Hyderabad

13. Rare cases of urinary bladder endometriosis- Dr. Anees Shoeb Puthawala, Saveetha medical College, Thandalam
14. A rare case of penile Mondor's disease in a young traveler: Unraveling the Enigma- Dr. Subhabrata Ganguly, KIMS Health, Trivandrum
15. A rare variant of renal cell carcinoma –tubulocystic variant- Dr. Shabeel . Sulaiman, Yenepoya Medical College
16. A rare case of primary malignant melanoma of urethra- Dr. Adil . Abdulla, Government Medical College ,Kozhikode
17. Multilocular cystic neoplasm in a Non-functioning upper moiety of a duplex kidney- A Histological Surprise following a Robotic Heminephrectomy- Dr. Manu Kaushik, M S Ramaiah medical college hospital, Bangalore
18. Ewing's sarcoma of Kidney: A Rare Case Report.- Dr. Karthick C Chandran, Institute of Urology, Madras Medical College
19. Bilateral Wilms tumors in an infant – A case report- Dr. Jofin John Varghese, Sapthagiri Institute of Medical Sciences and Research Centre, Bengaluru
20. A case report on ureterocalycostomy in the management of pelvi-ureteric junction obstruction- Dr. Sriramula Sai Dilip, Andhra Medical College
21. Primary signet ring cell carcinoma of the prostatic urethra.- Dr. Karthik M Chavannavar, Sri Ramachandra Medical college, Porur, Chennai
22. Testicular Plasmacytoma-a rare case of relapsed multiple myeloma-Dr. Vaibhav Sukalal Thakare, KMCH, Coimbatore, Tamilnadu
23. A rare case of the huge primary myxoid liposarcoma of the retroperitoneum with renal and pancreatic tail recurrence- Dr. Abhishek – Agrawal, AJ Institute Of Medical Sciences, Mangalore

24. Triple vessel anastomosis in live renal transplantation-Our institute experience- Dr. Arun Chander G, Govt Kilpauk Medical College
25. Laparoscopic Pyelolithotomy: Our experience-Dr. Bhavana Chowdary, Sapthagiri Institute of Medical Sciences and Research Centre
26. Incidentally detected asymptomatic renal malignant mass in young male- a diagnostic challenge, Dr. Bhushan Ulhas Wad, Government Kilpauk Medical College & Government Royapettah Hospital, Chennai
27. Renal ganglioneuroma: a rare differential of renal mass- Dr. Govind S, Government medical college Trivandrum.
28. Renal capsular leiomyoma excision: A rare case scenario-Dr. Himanshu Pandey, GMC, Thiruvanthapuram
29. Genitourinary Tuberculosis: More-common than described-Dr. Jofin John Varghese, Sapthagiri Institute of Medical Sciences and Research Centre
30. Urachal cyst , urachal adenocarcinoma or something new: a case report-Dr. Kumaraguru V, Govt.Kilpauk Medical College
31. Primary ewing's sarcoma of kidney - a rare entity-Dr. Md Aamir Sohail, KSHEMA Mangalore
32. Symptomatic calyceal diverticulum in an eleven year old girl- Dr. Nishant Setya, Jawaharlal Nehru Medical College, Belagavi
33. "Urethra or Uterus – Histopathological similarity, rare case presentation of female urethral leiomyoma"- Dr. Prudhvi Vardhan Reddy Gajulapalli, Rajarajeswari medical college
34. Successful Complex Vesico-vaginal fistula repair- Dr. Rahul Narayanan Unni, Govt Kilpauk Medical College
35. Primary non-functional retroperitoneal neuroendocrine tumor with non-specific presentation – a Rare case report- Dr. Ravindra K K, Government Medical College Thiruvananthapuram

36. A case of bilateral ureteroceles in an adult male presenting with lower urinary track symptom-Dr. Reshma Palacharla, mamata medical college, Khammam
37. Mixed germ cell tumour of the testis in an adolescent : a case report- Dr. Saurabh Atul Uplenchwa, Jawaharlal Nehru Medical College, KLE University
38. Scrotal violation in a case of seminoma- a case report-Dr. Saurabh ATUL Uplenchwar, Jawaharlal Nehru Medical College, KLE University
39. Utero-vesical fistula: A rare case report-Dr. Srikanth srikanth kamma, ESIC Medical College, Hyderabad
40. A case report on ureterocalycostomy in the management of pelvi-ureteric junction obstruction-Dr. Sriramula Sai Dilip, Andhra Medical College
41. Non bilharzial squamous cell carcinoma of bladder - a rare incidental scenario, Dr. Subash Kaushik T.G, Sri Ramachandra institute of higher education and research
42. Tuberculosis Prostate presenting as Benign Prostatic Hyperplasia-Dr. Vijai Raveendran, AJ Institute of Medical sciences
