President's Message

Dr Chandrashekar S. Ratkal President, ASU

Dear Colleagues,

I welcome all of you to a productive and wonderful conference to be held at Coimbatore, the Medical Hub of South India scheduled from the 12th to the 14th July 2019. Dr Kupprajan along with his

able and enthusiastic team have taken all the efforts to make this event a useful and memorable one. We can be certain that the quality of the academic programs at the conference will be par excellence. Every attendee will take away something new from the well planned scientific programs. My special thanks and gratitude to our charismatic and hardworking secretary, Dr Arun Chawla for being instrumental in putting together this. The hosts are working incessantly to make the stay and the conference both fruitful and comfortable for all of us. Coimbatore, the capital of the Kongu Kingdom has a lot to offer in terms of a holiday full of culture, history and culinary experiences. I beseech all of you to explore and enjoy this aspect of the city too.

I wish the team good luck along with my gratitude for organizing a landmark event. I request all members to attend the conference and enjoy the learning experience and hospitality.

Dr Chandrashekar S Ratkal

Dear esteemed colleagues,

It gives me an immense pleasure to invite you to be the part of 30th Annual Conference of Association of Southern Urologists being held in Coimbatore from 12th to 14th July 2019.

ASU, since its birth in 1988 in Chennai, has always strived to promote high standards in the practice of Urology and foster high and uniform standards in postgraduate training in Urology. This year Annual Conference in Coimbatore and being organised by Coimbatore Urology Society. The scientific programme for this Conference is enriched with invited lectures from the Masters, Speciality Symposia and Videos and other presentations in different awards and prize categories. This academic programme will provide great opportunity for fruitful deliberations and interaction with one another and experts, and will also enhance the knowledge of young members. At the end each one of us will find it as informative and stimulating.

The organizing team of Dr Mahadevan and Dr Kuppurajan under the able guidance of Dr Ganesh Gopalakrishnan is blessed with positive energy and enthusiasm to host this prestigious activity. I am sure that entire Organizing Team has worked hard to make it a memorable conference.

With warm regards,

Arun Chawla Hon Secretary ASU

MINUTES OF THE ANNUAL GENERAL BODY MEETING (AGM) **OF THE ASSOCIATION OF SOUTHERN UROLOGISTS (ASU), 2018**

Date 11th August 2018 Venue: Hall A, Vythiri Village, Vyhtiri, Wyanad, Kerala Time: At 5: 15 PM, President Dr C Mallikarjuna appealed to the members to permit him to reschedule the AGM to 6 PM as many members were in transit owing to unexpected natural calamity at Vythiri due to incessant rains resulting in floods. The house unanimously agreed to this.

- 1. The President called the meeting to order as rescheduled.
- 2. Obituary-The Association had lost Dr Eswar Goud one of its past presidents recently and a condolence resolution was moved by Dr Kammela Sridhar. Speaking about the departed member, Dr Sridhar described him as a friendly boss and a great organizer. The house rose and observed a minute's silence. The secretary was instructed to send a condolence message.
- 3. The President welcomed the members present in the house and thanked them for making it by braving inclement weather conditions and hardships of travel.
- 4. The Secretary later informed that as per statutory requirement, he had already circulated (20 August 2017) the minutes of the AGM held at Manipal last year within the stipulated period and submitted the same to the Registrar remitting appropriate fee. He also informed the house that the same had been re-circulated on Aug 6 2018 for recapitulation. There was no discussion on this item. Later the acceptance of this was proposed by Dr R Keshavamurthy and seconded by Dr K M Dineshan.
- 5. The Secretary's report circulated on 4th July 2018 was accepted unanimously by show of hands. The Secretary highlighted the important points in the report pertaining to membership, programs and efforts made to streamline pending issues at the registrar's office.
- 6. The treasurer presented the audited balance sheet for the financial year concluded (Circulated already 4th July 2018 after e-filing with ITO) and gave a bird's eye of various corpora and the likely interest that these would generate. He also touched upon the IT notice which was currently being answered and not resolved yet. Treasurer's report was passed unanimously, again by a show of hands.
- 7. The President expressed gratitude to three major donors-namely Prof P Venugopal for a generouscontribution of Rs 2.0 Lakhs to enhance the ASU-Prof. NaliniVenugopal CPC corpus, Dr M G Pai for contributing Rs 10,000 and Rajagiri Hospital, Aluva for promising to contribute Rs 50,000, both to enhance Prof H S Bhat midterm workshop corpus. The house applauded in gratitude.
- 8. Three new budgetary proposals were placed before the house, viz. 1. Corpus to conduct Annual Quiz (named as Quiz-O-Mania) Rs 2,00,000; ASU-State Level PGAcademic Fellowship Rs 6,00,000 and Research Fellowship for Rs 14,31,130. The Treasurer informed the house that the monies allocated are in ASU's long term fixed deposits and it would be necessary to utilize the interest for thee specified activities which is also required as a registered body enjoying the benefits of tax exemption under section 12 Aof Income tax act 1961. DrPouloseChally was not for life time allocation of such funds. Drs Ganesh Gopalkrishanan and Nitin Kekre felt that the funds should be amalgamated. DrKrishansamy Kannan was for the allocations under various heads as proposed. The house after a fairly lengthy debate felt that the proposals have merit and hence should be passed with a rider that these corpora should continue for a limited period of not less than 5 and not more than 7 years or till major donors to support them are found, which ever is earlier. The Research Fellowship corpus should be kept as ASU Research Fund Corpus, and the interest accrued could be utilized for conducting meetings on Research methodologies and any such academic matters relating to Research. The view of the house was formally proposed by Dr Nitin Kekre and seconded by Dr Krishansamy Kannan.

MINUTES OF THE ANNUAL GENERAL BODY MEETING (AGM) **OF THE ASSOCIATION OF SOUTHERN UROLOGISTS (ASU), 2018**

- 9. The treasurer announced that a limited allocation of Rs. 1 lakh had been made for Prof H S Bhat midterm workshop later in November this year, as requested by organisers and approved by EC.
- 10. The President announced that EC had shortlisted Dr Venkatesh Krishnamurthy to deliver the Prof H S Bhat Oration in 2019. This was accepted unanimously by the house (Acceptance proposed by Nitin Kekre, seconded Dr Ganesh Gopalkrishanan)
- 11. DR K V Vinod informed the house that President Elect Dr Madhu Agarwal had done the spot inspection of the venue for USICON 2020 and satisfied himself with the infrastructure available at the various venue options. He also informed the house that the USI Council is planning to bring down the registration amount and will be finalizing the Tariff soon. All efforts are being made to make the USICON a grand success and the registration process will start in Bhubaneshwar conference.
- 12. The President announced that EC had shortlisted Dr Amilal Bhat, Bikaner, RJ to deliver the Prof P B Sivaraman in 2019. This was accepted unanimously by the house (Acceptance proposed by Nitin Kekre, seconded Dr Ganesh Gopalkrishanan)
- 13. The list of new members (73), including the status change (6) was read out . The house approved of the same. Dr K N Sanman observed that the waiting period for status change is long and hence the secretary should be empowered to regularize the membership from time to time. He was informed by the President that this requires an amendment.
- 14. There was no representative to brief the house about progress made by them with regard to Dr H S Bhat midterm workshop in Kottayam in November 2018. Dr Krishna Moorthy informed the house that the organizers were on the job and had promised to put up a good academic program.
- 15. The proposal to hold the DR H S Bhat workshop in 2019 at Manipal was supported by Dr Nitin Kekre and seconded by Dr Bobby.
- 16. Dr Kuppurajan, organizing secretary of SZUSICON 2019 at Coimbatore gave a short video presentation of the venue (Le Meridian) and registration fees. The dates would be July 12-14, 2019. He was asked to inform the EC whether or not the host -Coimbatore Urology Club was duly registered under the appropriate act. He promised to revert at the earliest. Dr Devdas Madhavan would be the organizing chairman.
- 17. The Venue for SZUSICON 2020 would be Hyderabad and SOGUS AP and T will be the hosts. This was announced by Dr M Gopichand, Secretary of SOGUS AP and T.
- 18. Dr Arun Chawla presented the accounts of SZUSICON 2017 and informed the house that a sum of Rs. 1,33,000 had already been credited into the ASU account as donation. This received applause from the house and the accounts were passed by the show of hands.
- 19. The only amendment to 13.B.i, 13.D.i, 13 E.i pertaining to candidates' eligibility for the ASU post was read out by the secretary and was accepted without debate.
- 20. The Returning officer read out list of valid nominations for various ASU posts and declared them elected. The newly elected office bearers are as follows: Dr Nitin Kekre-President Elect: Dr G Chengalayarayan-Secretary Elect: Dr S Joseph Philiprai-Treasurer: Dr George P Abraham-Council Member, Kerala; Dr M Shivalingaiah-Council Member, Karnataka; Dr Kamela Shreedhar, AP and Telangana State and Dr Avudaiappan Ponnambalavanan, Tamil Nadu.
- 21. This was not discussed for want of representatives
- 22. There were no letters from full members of the Association for discussion
- 23. President sought out for any other matter for discussion from the floor. There was none.
- The President thanked all members and closed the AGM.

Proposed amendments for the Constitution of Association of Southern Urologists

Amendment 1:

Existing: 3.b.

To associate together under one Association all scientific personnel actively interested in practice of Urology in the states of South India, namely Tamil Nadu, Kerala, Karnataka, Andhra Pradesh, Telangana and Union Territories of Andaman & Nicobar islands, Lakshadweep islands and Puducherry.

Proposed amendment

To associate together under one Association all scientific personnel actively interested in practice of Urology in the states of South India, namely Tamil Nadu, Kerala, Karnataka, Andhra Pradesh, Telangana and Union Territories of Lakshadweep islands and Puducherry.

Reason:

Andaman and Nicober islands are part of East Zone USI as per USI Constitution

Amendment 2

9.New clause:

I. No additional fee will be charged for conversion from Associate /Affiliate membership to Full membership. The application form for conversion with all details may be sent to Hon. Secretary with self attested copies of Urology qualification and registration of Urology qualification with the State Medical Council in South India

Reason:

As per Clause B of Item 9, 'the subscription for all categories of membership shall be the same.' Since the Associate / affiliate member would have already paid the fees to become the member and since there is no difference in the membership fees between the various categories, there is no need for an additional fee for conversion.

Amendment 3

Existing: 11.Funds & Bank Account

F. The Treasurer shall operate the bank accounts in the name of the Association. The Treasurer of the Association shall sign all cheques.

Proposed amendment:

F. The Treasurer shall operate the bank accounts in the name of the Association. The Treasurer of the Association shall sign all cheques along with the Hon Secretary, ASU

Reason:

It is safer to have TWO signatories to sign the cheques

Proposed Amendment

The following shall be deemed Officers of the Association:

- i. The President
- ii. The President-elect
- iii. The Secretary
- iv. The Secretary-elect
- v. The Treasurer
- vi. The Treasurer Elect

Reason

The Treasurer Elect will get tuned to the financial aspects of The Association during the Period as Treasurer Elect so as to perform comfortably better later during the Office as Treasurer.

Proposed amendments for the Constitution of Association of Southern Urologists

Amendment 5

Existing: 13.Term of Office of Officers of the Association

B. President Elect:

ii. The President-elect shall be elected during the Annual General Body Meeting of the Association.

Proposed Amendment:

The President-elect shall be elected by a due election process conducted as per Constitution or during the Annual General Body Meeting of the Association from among eligible members

Reason:

The amendment is to make the process of election of President Elect more clear

Amendment 6

Existing: 13. Term of Office of Officers of the Association

D. Secretary Elect

The Secretary-elect shall be elected at the Annual General Body meeting of the Association from among eligible members. Proposed amendment:

The Secretary-elect shall be elected by a due election process conducted as per Constitution or during the Annual General Body Meeting of the Association from among eligible members

Reason:

The amendment is to make the process of election of Secretary Elect more clear

Amendment 7

New Clause

13. Term of Office of Officers of the Association

F.Treasurer Elect

i. To be eligible for election to this post, the member should have completed one full term as Council Member/Secretary ii.. The Treasurer-elect shall be elected by a due election process conducted as per Constitution or during the Annual

General Body Meeting of the Association from among eligible members

- iii. The Treasurer-elect shall hold office for a period of two years.
- iv. The Treasurer-elect's term shall commence from the date of the Valedictory Function/Ceremony of the Annual Scientific Meeting at which the election has taken place.
- v. The Treasurer-elect shall automatically take over as the Treasurer on the completion of the term of the incumbent Treasurer.

vi. In the event of the incumbent Treasurer-elect being unwilling or unavailable to assume the office of Treasurer, the new Treasurer shall be elected at the commencement of the Annual General Body meeting, and shall be installed in the Valedictory Function/Ceremony of the conference; The Treasurer so elected shall hold office for 2 years till handing over to the incoming Treasurer at the Valedictory Function/Ceremony of the Annual Scientific Meeting of the following year.

Reason:

ASU State Fellowship Awardee's Report

Anu Ramesh, Chennai

I was awarded with the Fellowship, representing the state of Tamil Nadu and it was conducted in Ramaiah Medical College between 18th to the 23rd February, 2019; under the guidance of Dr. D. Ramesh. During this period we were able to observe various procedures which were being conducted during their operating days. Also we were able to attend the academic sessions conducted in the department. Among the various procedures to name a few, we were able to observe lap pyeloplasty, lap ureteric reimplantation, lap nephroureterectomy and most endourological procedures. The simulation lab was also available for practicing a few procedures and was extremely helpful. It was a very pleasant experience and the faculty at Ramaiah Medical College along with Dr. Ramesh were very welcoming and taught us a lot of practical and clinical aspects along the way, which holds good for a lifetime. A suggestion that I would like to request the ASU, is to kindly keep the fellowship for a period of 14days with more hands-on experience for the future ASU fellows. Overall I would like to say that Ramaiah Medical College was a good centre for the fellowship.

Sony Mehta, Kochi

'I was privileged to attend my fellowship at the Urology Department of the prestigious M S Ramaiah Medical college, under the Ace Urologists, Dr. D Ramesh sir and Dr. H. K. Nagaraj Sir. The fellowship, though of a week's duration only, included case presentation (for practical exams), seminar and impromptu discussions regarding the management of common Urological diseases. Dr. D. Ramesh Sir presided over these presentations and acquainted us with the examiner's perspective of asking the questions, along with their implications in routine urological practice. Dr. H.K. Nagaraj sir, was kind enough to share with us the tips for fluent laparoscopic surgery. I must confess, it was a sheer bliss and an inspiration to watch him operate at a flawless lightening speed. Asso. Prof.Dr. Prakash Babu Sir, with his experience, shared his methods for tackling any untoward complications in the surgeries I observed. I am thankful to Dr. D. Ramesh Sir for hosting the fellowship.'

Arjun J, Hyderabad

I joined the team of Urology at Ms Ramaiahmedical college for south zone fellowship program. I am extremely happy to observe and learn from senior urologists like Dr Ramesh sir and Dr H K Nagaraju sir .I had opportunity to observe some advanced laparoscopic and reconstructive surgeries and attend academic sessions which were informative.Dr Prakash babu and Dr Tharun were experienced and guided us giving practical tips.

I would suggest that the fellowship should include some hands on training or simulation training under guidance and to be more productive.

MIUC Travelling Fellowship (2018) report

By: Dr Vilvapathy SenguttuvanKarthikeyan

I am extremely thankful to the Association of Southern Urologists for selecting me for the prestigious MIUC Travelling Fellowship in 2018 and I consider myself being very fortunate to have received this illustrious Fellowship. Andrology is a subspecialty of Urology requiring dedicated care and covers a wide spectrum of diseases. I am blessed to be mentored by Dr Vineet Malhotra, Clinical Director at DIYOS Men's Health Centre at New Delhi. Specialized Andrology work comprising medical and hormonal treatment of male infertility and surgical sperm retrieval, microsurgical varicocelectomy and reconstruction of the genital tract, erectile dysfunction including intracavernosal injections and prosthetic penile implants, treatment of Peyronie's disease and hypogonadism is performed on a daily basis.

I had an opportunity to attend the outpatient andrology clinics with Dr Vineet Malhotra and saw how focused history, examination, office evaluation and medical management made significant improvement in patients with erectile dysfunction and male infertility. I also witnessed the judicious application of intracavernosal injections in erectile dysfunction. I was able to observe and assist in a host of andrological microsurgical operations including varicocelectomy and vasoepididymal anastomosis and three-piece inflatable and Shah penile prosthesis implantation. I also participated in surgical sperm retrieval procedures, microTESE, the andrology laboratory, sperm cryopreservation and low intensity shock wave therapy for erectile dysfunction and Men's Health Clinic.

Dr Vineet Malhotra was kind enough to spare his valuable time to inculcate in me the basics of male infertility and sexual dysfunction and taught me most of the Andrology topics as and when we saw patients together in the outpatient clinic with his vast experience and knowledge. He is an eminent speaker and faculty at most of the Andrology and Infertility conferences and workshops. I was lucky to attend the Andrology outpatient clinic with Dr Rupin Shah and learnt the art of clinical examination in Andrology and approach to evaluation.

After completing my short term Fellowship in Andrology (from November 12-26, 2018), we have been able to establish an Andrology and Men's Health Clinic at our hospital from December 2018. We have been able to treat male infertility and erectile dysfunction patients in a more comprehensive manner after completing this fellowship and it was possible because of my teachers at the Association of Southern Urologists.

I am deeply indebted to Dr. A. Karthikeyan, Senior Consultant and Head of Department of Urology, for insisting me to pursue this Fellowship and starting Andrology and Men's Health as a dedicated subspecialty in our Department and my colleagues for their valuable support. We were already performing Microsurgical and Andrology operations and this program has improved the overall outcomes in our patients. I again thank the Association of Southern Urologists for awarding me the MIUC Travelling Fellowship (2018) and it is a proud moment in my career.
